**CURRICULUM VITAE  
BIOGRAPHICAL**

**ROBERT B. DAROFF, M.D.**

**PROFESSIONAL ADDRESS**

Case Western Reserve University School of Medicine  
10900 Euclid Avenue, R106  
Cleveland, Ohio 44106-4971  
(216) 368-2500  
(216) 368-4613

Office Phone:  
Fax:

E-mail:

[robert.daroff@case.edu](mailto:robert.daroff@case.edu)

Born:

1936; New York, New York

Marriage:

December 4, 1959 - Jane A. Daroff, DCSW, LISW

**Children:**

Charles, II: Attorney  
Robert B. Jr.: Psychiatrist  
William C.: Attorney

**Grandchildren:**

Adam, Sophie, Liza, Reid, Lillian, Arianna

**ACADEMIC EDUCATION:**

University of Chicago  
University of Pennsylvania  
University of Pennsylvania

1952-1953 12<sup>th</sup> Grade Certificate  
(College) 1953-1957, B.A.  
(School of Medicine) 1957-1961, M.D.

**TRAINING:**

Philadelphia General Hospital

1961-1962 Rotating Internship

Yale University School of Medicine  
and Yale-New Haven Medical Center  
(Professor G.H. Glaser)

1962-1965 Clinical Fellow (Resident) in Neurology  
1964-1965 Chief Resident in Neurology

University of Miami School of Medicine,  
Department of Ophthalmology  
(Professor J.L. Smith)

April-June Visiting Fellow in Neuro-Ophthalmology  
1964

University of California School of Medicine,  
San Francisco; Departments of  
Ophthalmology, Neurosurgery, and Neurology  
(Professor W.F. Hoyt)

1967-1968 Special Fellow in Neuro-Ophthalmology

**MILITARY:**

Captain, United States Army Medical Corps  
Chief, Neurology Service,  
Ireland Army Hospital  
Fort Knox, Kentucky

1965-1967  
July–November  
1965

Chief, Neurological Consultation and Treatment  
Center, 93<sup>rd</sup> Evacuation Hospital, United States  
Forces, Long Binh, South Vietnam; Consultant in Neurology (and, for 3 months, Otolaryngology)  
to the Surgeon, United States Army Vietnam (USARV)

**MILITARY (cont'd)**

Chief, Inpatient Neurology Service, Letterman General Hospital, San Francisco, California	January–June 1967
---	----------------------

**LICENSURE**

National Board of Medical Examiners  
States of Connecticut, California, Florida, and Ohio

**SPECIALTY BOARD**

Diplomate in Neurology, American Board of Psychiatry and Neurology, February 1969, Certificate Number 9993

**FACULTY AND ADMINISTRATIVE APPOINTMENTS**

University of Louisville School of Medicine	July 1965 - May 1966 Clinical Instructor in Medicine (Neurology)
Veterans Administration Hospital Miami, Florida	July 1968 - June 1980 Assistant Chief, Neurology Services; Chief, Neurology Clinic
Veterans Administration Hospital Miami, Florida	Jan. 1969 - June 1980 Director Ocular Motor Neurophysiology Lab
University of Miami School of Medicine School of Medicine	July 1968 - May 1971 Assistant Professor of Neurology
University of Miami School of Medicine	July 1968 - May 1975 Assistant Professor of Ophthalmology
University of Miami School of Medicine	June 1971 - May 1974 Associate Professor of Neurology
University of Miami School of Medicine	June 1975 - June 1980 Associate Professor of Ophthalmology
University of Miami School of Medicine	June 1974 - June 1980 Professor of Neurology
Cleveland Veterans Administration Medical Center	July 1980 - 1993 Staff Neurologist
Case Western Reserve University School of Medicine	July 1980 – 1993: Gilbert W. Humphrey Professor of Neurology Chairman, Department of Neurology
1993-2004	Professor of Neurology, and Associate Dean for University Hospitals Case Medical Center
2004-2006	Professor of Neurology, and Interim Vice Dean for Education and Academic Affairs
July 2006 - 2007	Gilbert W. Humphrey Professor and Interim Chair of Neurology
2008 -	Professor and Chair Emeritus of Neurology; Associate Dean and Physician Director of Development

**FACULTY AND ADMINISTRATIVE APPOINTMENTS (cont'd)**  
**University Hospitals Case Medical Center**

July 1980 - 1993	Director, Department of Neurology
July 1980 -	Attending Neurologist
January 1994 - 1997	Chief of Staff and Senior Vice President for Medical Affairs
1997 - 2003	Chief of Staff and Senior Vice President for Academic Affairs
2000 - 2002	Director of Medical Education, University Hospitals Health System
July 2006 - 2007	Interim Chair, Department of Neurology
July 2006 - 2007	Co-Director, Neurological Institute
2008 -	Attending Neurologist

**University Hospitals Health System**

March 2004 - 2005	Chief Medical Officer, St. John West Shore Sisters of Charity of St. Augustine Health System Hospital
	Chief Medical Officer, St. Vincent Charity Hospital (UHHS/CSAHS) Partnership

**EDITORIAL RESPONSIBILITIES**

Editor-in-Chief, The Daily Pennsylvanian, University of Pennsylvania, Philadelphia, Pennsylvania, 1956-1957

Associate Editor, The Journal of Biomedical Systems, 1970-1972

Editorial Board, Archives of Neurology, 1976

Founding Editorial Board, Annals of Neurology, 1976-1981; 1985-1986

Editor for Neurological Progress (Founding Editor), 1981-1984

Editorial Board, Weekly Update: Neurology and Neurosurgery, 1978-1980

Editorial Board, Headache, 1980-1986

Editorial Advisor, 2004-2009

Senior Editorial Advisor, 2009-

Editorial Board, Neurology and Neurosurgery Update Series, 1981-1993

Advisory Editorial Board, Neuro-Ophthalmology, 1980-2002

Book Review Editor, 1981-1988

Editorial Council, Neurologia Croatica (official journal of the Croatian Neurological Society and Croatian Neurosurgical Society. Formerly, until 1991, Neurologija, official journal of the Yugoslavian Neurological Association), 1987-2006

Editor-in-Chief, Neurology, 1987-1996

Scientific Integrity Advisor, Neurology, 2004-

Editorial Board, Contemporary Neurology Series, F.A. Davis Company, 1989-1993

Co-Editor, World Neurology (Newsletter of the World Federation of Neurology), 1990-1997

Editorial Advisory Board, 1998-2003

Editorial Advisory Board, Journal of Neuro-Ophthalmology, 2001-2009

Editorial Board, 2010-2013

Scientific Integrity Advisor, 2014-

Advisory Board, Clinical Reviews in Headache (Online), 2001-2002

Editorial Commission, Valeology, (Kazakhstan Republic), 2002

Editorial Board, Neurosciences (Saudi Arabia), 2003-2006; Consulting Senior Editor, 2007-

Editorial Board, Practical Neurology, 2003

Associate Editor, The Scientific World Neurology, 2006-2011

Scientific Advisory Board and Ethics Editor, ANATOMY, (International Journal of Experimental and Clinical Anatomy), 2009

International Editorial Board, Niger Delta African Journal of Health and Environment, 2008

Publishing and Scientific Integrity Advisor, Cephalalgia, 2009-

Associate Editor, Frontiers in Neuro-otology, 2010-

**EDITORIAL RESPONSIBILITIES (cont'd)**

Editorial Board, Yemeni Journal for Medical Sciences, 2013.

World Association of Medical Editors, Help Desk Volunteer, 2013-

**OCCASIONAL REVIEWER**

Science; Vision Research; British Journal of Ophthalmology; Journal of Neurology, Neurosurgery, and Psychiatry; Archives of Ophthalmology; Investigative Ophthalmology; American Journal of Ophthalmology; Annals of Otolaryngology; Muscle & Nerve; New York State Journal of Medicine; Brain; Menopause; Menopause Management; Clinical Neurology and Neurosurgery; Hippocrates' Lantern; Journal of Neurological Sciences; Journal of Stroke and Cerebrovascular Disease; Journal of Clinical Neuromuscular Disease; The Chronicle of Neurology and Psychiatry; Archives of Pediatric and Adolescent Medicine; Journal of American Association for Pediatric Ophthalmology and Strabismus; Parkinsonism and Related Disorders; European Journal of Neurology; European Journal of Neuroscience; Annals of Alquds Medicine

**MEMBERSHIP IN MEDICAL, SCIENTIFIC, AND MEDICAL EDITING SOCIETIES**

Academy of Medicine–Cleveland/Northern Ohio Medical Association  
Alzheimer's Association (2011-)  
American Academy of Neurology (Fellow, 1975-1997; Honorary Member, 1997)  
American Council for Headache Education (ACHE)  
American Epilepsy Society (1984-1990)  
American Headache Society (Fellow)  
American Medical Association  
American Medical Foundation for Peer Review and Education (Advisory Committee on Neurology)  
American Neurological Association (Honorary Member, 2001)  
American Neurology Society (Fellow) (1976-1994)  
American Society for Clinical Pharmacology and Therapeutics (1986-1988)  
Asociacion Colombiana de Neurologia (Honorary Member)  
Association for Research in Nervous and Mental Disease (ARNMD) (1983-1987)  
Association for Research in Vision and Ophthalmology (1970-1993)  
Association of Military Surgeons of the United States (AMSUS)  
Association of University Professors of Neurology (1980-1993; 2006-8)  
Barany Society (1974-)  
Blockley Section, College of Physicians of Philadelphia  
Cleveland Medical Library Association  
Committee on Publication Ethics (COPE), (Associate Member)  
Council of Science Editors (formerly, Council of Biology Editors)  
Eastern Mediterranean Association of Medical Editors (Honorary Member)  
European Federation of Neurological Societies  
European Neurological Society  
Frank B. Walsh Society  
International Clinical Eye Movement Society (Founder)  
International Headache Society  
International Neuro-Ophthalmology Society  
International Society for the History of the Neurosciences  
International Society to Advocate Alzheimer's Research and Treatment (ISAART)  
Movement Disorders Society  
National Association for Uniformed Services (NAUS)  
National Headache Foundation (1996-2012)  
North American Neuro-Ophthalmology Society (Co-Founder and Fellow)  
Ohio State Medical Association  
Society of Medical Consultants to the Armed Forces (Emeritus Member)  
Society for Neurosciences (1969-1993)  
World Association of Medical Editors (WAME)

### **NATIONAL ADVISORY BOARDS**

American Civilization Advisory Council, University of Pennsylvania, 1974-1980  
Educational Materials Project Appraisal Panel, Association of American Medical Colleges, 1976-1980  
Medical/Scientific Advisory Board, Myasthenia Gravis Foundation, Inc., 1980-  
Medical Advisory Board, National Multiple Sclerosis Society, 1988-1990  
Medical Advisory Board, Society for Progressive Supranuclear Palsy, Inc., 1991-1994  
Clinical Advisory Group, Regeneron Pharmaceuticals, Inc., 1990-1993  
Vietnam Veterans Institute, Board of Scholars, 1999-  
Technology Advisory Council, BIOMECH, Inc., 1999-2007  
Scientific Advisory Board, CAPNIA, Inc., 2000-2007  
Council of Healthcare Advisors, 2001

### **NATIONAL COMMITTEES**

Advocacy Alliance for Headache Disorders, 2013-  
American Academy of Neurology  
Chairman of Scientific Program Committee, 1973-1975.  
Convention Arrangements and Coordination Committee, 1973-1975  
Chairman of S. Weir Mitchell Award Subcommittee, 1975-1977  
Ad Hoc Committee on Membership Needs, 1986  
Potamkin Prize Administration Committee, 1987-1994  
Executive Board, 1987-1996  
Decade of the Brain Task Force, 1990-1995  
Scientific Awards Subcommittee, 1991-1995  
R.I.T.E. Task Force, 1993.  
Publications Committee, 1993-1999  
Ad Hoc Committee on Neurology Supplements, 2001  
Media Expert 2011  
Section of Headache and Facial Pain, 1993-  
Section on Neuro-Ophthalmology/Neuro-Otology, 1994-  
Section on Movement Disorders, 1994-  
American Brain Coalition  
American Headache Society Representative, 2003-2006  
American College of Physicians  
Neurology Sub-Committee of Medical Knowledge Self-Assessment  
Program V (MKSAP-V), 1977-1980  
American Council for Headache Education (ACHE)  
Vice-Chairman, 2000-2002  
American Headache Society (formerly American Association for the Study of Headache)  
Board of Directors, 1998-2006  
Past President Advisor, 2010-  
Executive Committee, 1998-2006  
Chairman, 2002-2004  
Secretary, 1998-2000  
President-Elect, 2000-2002  
President, 2002-2004  
Immediate Past President, 2004-2006  
Classification Committee, 1988-1993; 1998-2002  
Secretary, 1998-2002  
Membership Committee, 1998-2000  
Chair, 1998-2000  
Finance Committee, 1998-2002  
Publications Committee, 1998-2002; 2004-  
Awards Committee, 1998-2002  
Chair, 2000-2002

**NATIONAL COMMITTEES (cont'd)**

Long Range Planning Committee, 1998-2002; 2006-2008  
Chairman, 2002-2004  
Education Committee, 2000-2002  
Chair, 2000-2002  
Nominating Committee, 2004-2006; 2010-2012  
Chair, 2004-2006  
Ethics Committee, 2004-  
Bylaws Committee, 2004-2010  
Review Board, 2004-2006  
Achievement Recognition Committee, 2004-2008  
Public Relations Committee, 2005-2008  
Blue Ribbon Committee, 2005-2008  
Special Advisor to Executive Committee and Board of Directors, 2006-2008  
Clinical Action Team, 2008  
American Neurological Association  
Scientific Program Committee, 1977-1978  
Chairman, 1978  
Representative to National Committee on Research in Neurological and Communicative Disorders, 1979-1982  
Membership Advisory Committee, 1980-1983  
Chairman, 1981-1983  
Nominating Committee, 1984  
Chairman, 1994-1995  
Chairman, Joint Advisory Committee on Annals of Neurology, 1984-1986  
Oversight Committee on Relations with Academy of Neurology, 1986  
By-Laws Committee, 1989  
Jacoby Award Committee, 1989  
Search Committee for Editor-in-Chief, Annals of Neurology, 1989  
Representative to National Intersociety Liaison (NIL) Group, 1989-1991  
Councilor, 1980-1982  
Secretary, 1985-1989  
President-Elect, 1989-1990  
President, 1990-1991  
Immediate Past-President, 1991-1992  
Honorary Membership Advisory Committee, 1994 (Chairman); 2005-2006  
Association Management Committee, 1995  
Membership Brochure Committee, 1995-1996  
History Committee, 2004-2006  
American Society for Clinical Pharmacology and Therapeutics  
Section on Headache Reviewer, Scientific Program, 1987 Annual Meeting  
Association of American Medical Colleges (AAMC)  
Group on Educational Affairs (GEA), 2004—2006.  
Selection Committee for Annual Alpha Omega Alpha (AOA) Robert J. Glaser Distinguished Teacher Award, 2006-2008  
Benign Essential Blepharospasm Research Foundation  
Nominating Committee, 1987-1996  
Long Range Planning Committee, 1990-1996  
Policies and By-Laws Committee, 1990  
Board of Trustees, 1983—  
Medical Advisory Board, Senior Consultant, 2007-2011  
Charles A. Dana Foundation  
Alliance for Brain Initiatives, Founding Member, 1993—  
Council of Academic Societies, AAMC  
Representative from American Headache Society, 2003—2006

**NATIONAL COMMITTEES (cont'd)**

Myasthenia Gravis Foundation of America, Medical/Scientific Advisory Board

Scientific Program Committee, 1980-1987

Chairman, 1984-1987

Executive Committee, 1992-2003

Assistant Secretary, 1992-1993

Secretary, 1994-1996

Vice-Chairman, 1997-1999

Chairman, 1999-2001

Nominating Committee Chair, 2001-2003

National Eye Institute

Strabismus, Amblyopia, and Visual Processing Panel of the National Advisory Eye Council, National Eye Institute, NIH, 1980-1983

National Headache Foundation

Co-Chair, Genetics of Headache Selection Committee, 2003-2004

Research Summit Committee, 2004-2007

North American Neuro-Ophthalmology Society

Board of Trustees, 1986-1994

Certification and Accreditation Committee, 1991-1995

Chair, 1996-1998

Publications Committee, 1999-2002

Society of Medical Consultants to the Armed Forces (SMCAF)

Recruitment and Retention Committee, 2003-2004

U.S. Department of Transportation, Federal Highway Administration

Office of Motor Carriers Standards

Steering Committee on Neurological Disorders in Commercial Drivers

Task Force Chairman, 1987-1988

Vietnam Center and Archives, Lubbock, TX, Sustaining Life Member, 2008-

Frank B. Walsh Society

Program Committee, 1984

**INTERNATIONAL COMMITTEES**

Cooperative Study of Extracranial/Intracranial Arterial Anastomosis (EC/IC Bypass Study)

Principal Investigator of CWRU Centre, 1984-1985

Eastern Mediterranean Association of Medical Editors (EMAME)

Advisor, Publishing Ethics Committee, 2005-2011

European Academy of Neurology (EAN) (Merger of European Federation of Neurological Societies and European Neurological Society), 2015-

European Neurological Society (ENS)

Headache Subcommittee, 2007-2014

Neuro-Otology and Neuro-Ophthalmology Subcommittee, 2008-2014

Hadassah Medical Center

Neuroscience Research Review Committee, 2008

International Society to Advance Alzheimer's Research and Treatment – ISTAART, 2010-

International Headache Society

10<sup>th</sup> Congress, Consultant to Organizing Committee Co-Chairs, 1999-2001

Classification Sub-Committee on Disorders of Eyes, Ears, Nose and Throat, 2000-2003

Classification Sub-Committee on Migraine, 2000-2003

International Neurology Forum (INFO), Vietnam

Co-Chair, International Organizing Committee, 2004

Chair, International Organizing Committee, 2005-2007

International Neuro-Ophthalmology Society

Organizing Committee, 1986

International Scientific Committee, 2004

**INTERNATIONAL COMMITTEES (cont'd)**

International Susac's Syndrome Foundation (ISSF)  
Member at Large, Board of Directors, 2012-  
Neuromuscular Disease Association of Romania  
International Scientific Committee, 1991-1993  
"Neuro-Ophthalmology Congress, 1988"  
Organizational Committee, 1983-1988  
Saudi Alzheimer's Disease Association  
Advisory Board, 2011-  
Chair, International Advisory Committee, 2010-  
Selection Panel, Prince Sultan Abdulaziz Alzheimer's Disease Prize, 2012.  
World Federation of Neurology  
Finance Committee, 1985-2001  
Chairman, 1990-2001  
Publications and Website Committee, 1987-2001  
Chairman, 1987-2001  
Management Committee  
Liaison Member 1997-2001  
Chairman, Ad Hoc Contract Committee for World Congress 2005, 1999-2001  
Fund-raising Committee, 2004-2008  
XIVth World Congress of Neurology (India) Trust  
Board of Trustees, 1997-1999  
Research Groups  
Neuro-Ophthalmology and Neuro-otology, 1987-  
Executive Committee, 1987-1995  
Migraine and Headache, 1988-2000  
Chair, Nominating Committee, 2000  
Organization and Delivery of Neurological Services, 1990-  
Founding Member  
Neurotoxicology and Occupational Medicine, 1992-2000  
History of the Neurosciences, 1995-2001  
World Congress of Neurology  
Organizing Committee, 1998-2001  
World Neurology Foundation  
Board of Directors, 2007-2008

**LOCAL COMMITTEES**

Academy of Medicine, Cleveland  
Ad Hoc Committee on Tort Reform, 1995-1996  
Biomedical Research Cleveland  
Executive Committee, 1994-1999  
Cleveland Biotechnology Park, Inc.  
Staff Advisor, 2001  
Cleveland Tomorrow, Technology District Visioning Group, 1997-1999  
Edison BioTechnology Center, State of Ohio, 1994-2001  
Technology Commercialization Committee, 1996-1998  
Human Rights Campaign (HRC)  
Cleveland Steering Committee, 1999-2009  
Federal Club, 1998-2006  
University Circle, Inc.  
Cleveland Technology District Committee, 1994-1996  
Technology Transfer and Economic Development Committee, 1999-2000

**MISCELLANEOUS POSITIONS**

National Medal of Honor Museum

Founding Partner 2015-

Science Partners LLC

Partner, 2004-2010

Roulston Buyside Research

Chairman, Health Vertical, 2006-2007

Facilitation/Resolution Health Science Team, 2008-2010

Vietnam Center, Texas Tech University, Sustaining Life Member 2008-

GBS/CIDP Foundation International

Honorary Dinner Committee, Dr. Arthur K. Asbury “Citizen of the Year” Award Philadelphia, October 28, 2011

Vietnam Veterans of America, Life Member

Perelman School of Medicine, University of Pennsylvania

Host Committee, 250<sup>th</sup> Celebration Gala, 2015

**EXTERNAL DEPARTMENTAL, INSTITUTIONAL AND RESEARCH REVIEWER**

Department of Neurology, University of Massachusetts Medical School, Worcester, 1987

Department of Neurology, University of Chicago Pritzker School of Medicine, 1988

Department of Neurology, University of Pennsylvania School of Medicine, 1989 (Chairman of External Committee)

Department of Neurology, Medical University of South Carolina, 1991

National Hospital for Neurology and Neurosurgery (Queen Square, London), under auspices of Director of Research and Development, Department of Health, Great Britain, 1993

Italian Multiple Sclerosis Society Medical Advisory Board, 1995

External Advisory Committee, Program Project Grant, “Migraine Pathophysiology and Treatment Mechanisms”, Michael A. Moskowitz, Principal Investigator, Massachusetts General Hospital, Harvard Medical School, 2000-2001; 2006-2008

External Promotions Committee Reviewer, University of Jordan Faculty of Medicine, 2005

External Promotions Committee Reviewer, Jordan University of Science and Technology, 2007

External Promotions Committee Reviewer, Harvard Medical School, 2015

**BOARDS OF TRUSTEES/BOARDS OF DIRECTORS**

Rocky Mountain Neuro-Ophthalmology Society, 1980-1986

North American Neuro-Ophthalmology Society, 1986-1994

Benign Essential Blepharospasm Research Foundation, 1983-

The Learning Corporation, 1992-1993

Honorary, 1994-2000

Fairhill Partners (formally Fairhill Center for Aging), Cleveland, 1988-

Honorary Director for Life, 2006-

Fairhill Institute for the Elderly Foundation, Cleveland, 1989-1992

Edison BioTechnology Center, State of Ohio, 1994-2001

Great Lakes Museum of Science, Environment and Technology (Great Lakes Science Center), 1994-2001

GLSEN Cleveland, Honorary Board, 1999-2007

Greater Cleveland Chapter of American Red Cross, 1999-2007

Executive Committee, 2000-2003

International Services Committee, 2000-2007

International Susac’s Syndrome Foundation, 2010

Myasthenia Gravis Foundation of America, 1999-2001

St. John West Shore Hospital, Community Board, 2003-2005

St. Vincent Charity Hospital, Community Board, 2003-2005

United Council of Neurologic Subspecialties (UCNS)

Alternate Member Director for Headache Medicine, 2005-2007

### **CIVIC ACTIVITIES**

Medical Advisory Board, The Greater Miami Chapter of the Myasthenia Gravis Foundation, 1971-1978  
Guest Lecturer, School of Health and Social Services, Florida International University, Miami, 1975-1979  
Chairman, Young Tae Kwon Do Academy (Korean Karate), North Miami, Florida, 1977-1980  
Medical Advisory Committee, W.O. Walker Industrial Rehabilitation Center  
Ohio Industrial Rehabilitation Program, 1983-1986  
Search Committee for Medical Director, 1983  
Medical Advisor, Parkinson's Educational Program (PEP) of Northeastern Ohio, 1985-1988  
Cleveland Museum of Art, 2001  
Picasso/Lewitt Community Committee, 2001  
Museum Associate, 2007-2008  
Founding Sponsor, The National Museum of the U.S. Army, 2009

### **FINE ARTS MEMBERSHIPS**

Baltimore Museum of Art; Cleveland Museum of Contemporary Art; Cleveland Museum of Art; Cleveland Institute of Art; Print Club of Cleveland; University Print Club

### **MAJOR INSTITUTIONAL COMMITTEES - 1968-**

#### University of Miami School of Medicine

Mount Sinai Hospital Affiliation Committee, 1970  
Search Committee for Chairman of Department of Biochemistry, 1971  
Search Committee for Chairman of Department of Anesthesiology, 1973-1974  
Governing Board, Professional Income Plan, 1973-1980  
Medical Affairs and Hospital Committee, 1975-1976  
Fringe Benefits Committee, 1976-1977  
Subcommittee on Medical Practice, 1979-1980  
Promotions and Tenure Committee, 1976-1979  
Chairman, 1977-1979  
Chairman, Search Committee for Chairman of Department of Radiology, 1977-1978  
Ad Hoc Institutional Self Study Task Force, 1979-1980

#### Miami Veterans Administration Hospital

R. & D. Committee, 1974-1977  
Chairman, 1976-1978  
Budget Subcommittee of R. & D. Committee, 1973-1974, 1976-1978, 1980  
Chairman, 1977-1978  
Chairman, R. & D. Subcommittee on Career Appointments, 1977  
Chairman, Subcommittee on Nomination of Research Career Scientist, 1977

#### Jackson Memorial Hospital

Pharmacy and Therapeutics Committee, 1976-1980  
Chairman, 1978-1980.  
Pharmacy Chief Selection Committee, 1976-1977

#### Case Western Reserve University School of Medicine

Executive Committee, 1980-2003  
Resource Allocation Subcommittee, 1994-1995  
Dean's Committee, Cleveland Veterans Administration Medical Center, 1980-1993  
Faculty Program Planning Committee, AMICI MEDICINAE, 1980-1982  
Phase III Neuroscience Committee, 1981-1986  
Long Term Strategic Planning Group, 1981-1986  
Advisory Committee, NIDRR, Rehabilitation Engineering Center, 1982-1983; 1988-1993  
Chairman, Search Committee for Chairman of Otolaryngology, 1982-1984  
Ad Hoc Committee on Departmental Status for Rehabilitation Medicine, 1984  
Executive Committee, Geriatric Center for Clinical Assessment, Research, and Education, 1984-1987

**MAJOR INSTITUTIONAL COMMITTEES - 1968- (cont'd)**

Search Committee for Director of Neurology, Cleveland Metropolitan General Hospital, 1985-1987  
Advisory Committee, Division of General Medical Sciences, 1986-2007  
Chairman, 1990-1992; 2004-2007  
Chairman, Search Committee for Chief of Staff Cleveland Veterans Administration Medical Center, 1987-1988  
Core Academic Program, Executive Committee, 1987-1993  
Committee on Medical Education, 1987-1990  
Teaching Excellence Awards Committee, 1988  
Council of Clinical Chairmen, 1988-1993  
Secretary-Treasurer, 1988-1990  
Council on Graduate Medical Education, 1988-1992  
Steering Committee, 1988-1991  
Medical Alumni Board of Trustees, 1989-1990  
Co-Chairman, Faculty Drive, Medical Annual Fund Leadership Committee, 1989-1990  
Search Committee for Chairman of Neurosciences, 1989-1990  
Chairman, Search Committee for Chairman of Neurological Surgery, 1991  
Faculty Gifts Committee, 1991  
Chairman, Search Committee for Chairman of Ophthalmology, 1991-1992  
Maurice Victor and Betty Q. Banker Visiting Professorship Committee, MetroHealth Medical Center, 1991-1993  
Art Advisory Selection Committee, Biomedical Research Building, 1992-1993  
Search Committee for Vice Dean, 1997-1998  
Search Committee for Chairman of Pediatrics, 1994-1995  
Search Committee for Chairman of Radiation Oncology, 1996-1997  
Search Committee for Chairman of Internal Medicine, 1997-1998  
Search Committee for Chairman of Surgery, 1998-2000  
Search Committee for Chairman of Reproductive Biology/Obstetrics and Gynecology, 1999-2001  
Search Committee for Chairman of Psychiatry, 1999-2000  
Search Committee for Chairman of Anesthesiology, 1999-2000  
Search Committee for Chairman of Family Medicine, 2000-2002  
Liaison Committee for Medical Education, Self-Study Steering Committee, 2001-2002  
Coulter-CASE Translation Research and Innovation Program, 2005-2008  
Steering Committee, International Center for Autism Research and Education, 2011-

University Hospitals of Cleveland

*(List is incomplete from 1994)*

Clinical (formerly Medical) Council, 1980-2003; 2006-2008  
Chair 1994-2003  
Professional Liability Committee, 1980  
Quality Assurance Committee, 1981-1982  
Spine Center Task Force, 1982  
Advisory Committee for Physical and Occupational Therapy, 1982-1988  
Chairman, Quality Monitoring Council, 1994-2003  
Chairman, Search Committee for Director of Division of Neurosurgery, 1980-1981  
Finance Committee of Board of Trustees, 1982-1988  
Search Committee, Director of Pediatric Neurology, 1983-1984  
P.E.T. Advisory Committee, 1985-1987  
Interim Executive Committee, Faculty Health Services Organization, 1993  
Professional Advisory Council, 1994-1995  
Performance Improvement Council, 1995-1997  
Robert J. Frackleton Memorial Fund Committee, 1994-2001  
Chairman, Search Committee for University Ireland Cancer Center, 1994-1995  
Nurses Coordinating Council, 1994-1996  
Honorary Committee, Edgar B. Jackson, Jr., M.D. Chair, 2001-2002

**UNIVERSITY HOSPITALS HEALTH SYSTEM DIRECTORSHIP AND TRUSTEESHIPS: 1994-2003**

University Hospitals Holdings, Inc.  
University Primary Care Practices, Inc.  
University Hospitals Management Services Organization, Inc.  
Pathology Associates of University Hospitals, Inc.  
MacDonald Physicians, Inc.

**EPONYMIC AND ANNUAL LECTURESHIPS AND PROFESSORSHIPS**

1. Joseph J. Gitt Visiting Professor, Washington University, January 1979
2. Third Annual Sidney Starkman Lecturer, University of Toronto, May 1980
3. Bernard J. Alpers Lecturer in Clinical Neurology, Jefferson Medical College, April 1984
4. G. Milton Shy Visiting Professor and Memorial Lecturer, Columbia University and University of Pennsylvania, October 1984
5. Parker Heath Memorial Lecturer, Section Council on Ophthalmology to the American Medical Association, American Academy of Ophthalmology, New Orleans, November 1986
6. The Fifteenth Robert B. Aird Visiting Professor of Neurology, University of California at San Francisco, September 1987
7. The Frank Netter Lecturer, Annual Meeting of the American Academy of Neurology, Chicago, April 1989 (now designated the H. Houston Merritt Lecturer)
8. The first Barraquer-Lafora Lecturer of the Sociedad Española de Neurología (Spanish Neurological Society), Barcelona, December 1990
9. Distinguished Guest Visitor, Nebraska Academy of Neurologists and Neurosurgeons, Omaha, October 1991
10. Eighth Annual Fogan Lecturer, State University of New York at Buffalo, February 1992
11. Distinguished Guest Lecturer, Japanese Ophthalmological Society, Yokohama, May 1992
12. Lettura Magistrale, Societa Italiana di Neurofisiologia Clinica, Alghero, Sardinia, May 1992
13. Benjamin Boshes Memorial Lecturer, Israel Neurological Association, November 1992
14. Morris B. Bender Memorial Lecturer, Mt. Sinai Medical Center, New York, March 1993
15. The 14th T.S. Srinivasan Endowment Lecturer, Madras, February 1994
16. Silver Jubilee Lecturer, Medical College of Trivandrum, India, February 1994
17. The J.L. Silversides Visiting Professorship and Lectureship in Neurology, Toronto, May 1994
18. Cumings Lecturer, The Migraine Trust, London, September 1994
19. American Council for Headache Education Lecturer, San Diego, May 1996
20. Morton Nathanson Distinguished Lectureship in Neurology, Long Island Jewish Medical Center, Albert Einstein College of Medicine, March 1997
21. Bernard A. Rogowski Lecturer, Yale University School of Medicine, April 1997
22. Morris B. Bender Memorial Lecturer, Mt. Sinai Medical Center, New York, May 1998
23. THE INVITED LECTURER, 39<sup>th</sup> Annual Meeting of the Japanese Neurologic Society, Kurashiki, October 2001
24. Victor and Clara Soriano Lecturer, Israel Neurological Association, November 2001
25. Keynote Speaker, International Neurology Forum, 2004. Ho Chi Minh City, Vietnam
26. The 7<sup>th</sup> Annual Athasit Vejjajiva Lecturer, Mahidol University, Bangkok, 2006
27. Daniel M. Jacobson Memorial Lecturer, North American Neuro-Ophthalmology Society, 2009

**AWARDS AND HONORS**

1. Sphinx Senior Society, University of Pennsylvania, 1956-1957
2. Kite and Key Society, University of Pennsylvania, 1956-1957
3. Outstanding Teacher Award, House Staff Physicians Association, University of Miami Affiliated Hospitals, 1979-1980
4. Alpha Omega Alpha, Case Western Reserve University School of Medicine, Faculty Member, 1983
5. Parker Heath Award, Section Council on Ophthalmology to the American Medical Association, 1986
6. Kaiser-Permanente Award for Excellence in Teaching, Case Western Reserve University School of Medicine, 1987
7. Honorary Member, Asociacion Colombiana de Neurologia, Bogota, Columbia, 1987
8. "Hall of Fame," Benign Essential Blepharospasm Research Foundation, 1991

**AWARDS AND HONORS (cont'd)**

9. Association of American Publishers, Inc. Professional and Scholarly Publishing Division. "Neurology in Clinical Practice" received award as the most outstanding book published in Clinical Medicine in 1991
10. Ernst Jung-Medaille für Medizin in Gold. Presented by the Jung-Stiftung für Wissenschaft und Forschung, Hamburg, Germany, 1993  
(See reference #62 in BIBLIOGRAPHY MISCELLANEOUS PUBLICATIONS)
11. Appointed as a Founding Member of the Charles A. Dana Alliance for Brain Initiatives, 1993
12. The 14th T.S. Srinivasan Endowment Lectureship Medal and Scroll, Madras, India, 1994
13. Silver Jubilee Oration Award, Medical College of Trivandrum, India, 1994
14. Foreign Member, Academy of the Medical Sciences of the Kazakhstan, 1996
15. Honorary Member, American Academy of Neurology, 1997
16. Vietnam Veterans Institute, Board of Scholars, 1998-
17. Distinguished Service Award, North American Neuro-Ophthalmology Society, 1999
18. Honorary Professor, Astana State Medical Academy, Kazakhstan Ministry of Education, Culture, and Public Health, 1999
19. Establishment of the Dorothy R. Blair–Robert B. Daroff, M.D. Endowed Professorship of Neurology, Case Western Reserve University School of Medicine, 2000
20. Cornerstone Endowment Foundation Founder, American Academy of Neurology, 2000
21. DOCTOR'S AWARD, Myasthenia Gravis Foundation of America, 2001
22. Certificate of Appreciation for Outstanding Service, World Federation of Neurology, 2001
23. Honorary Member, American Neurological Association, 2001
24. Fellow, American Headache Society, 2001
25. 50 Year Award, Academy of Medicine–Cleveland/Northern Ohio Medical Association, 2001
26. John H. Budd, MD Distinguished Membership Award, Academy of Medicine–Cleveland/Northern Ohio Medical Association, 2002
27. Distinguished Graduate Award, University of Pennsylvania School of Medicine, 2003
28. Invitado de Honor, Congreso Iberoamericano de Neuro-Oftalmología, 2003
29. Establishment of the Robert B. Daroff Teaching Excellence Award, Department of Neurology, University Hospitals of Cleveland, Case Western Reserve University School of Medicine, 2004
30. Lifetime Achievement Award, NeuroSciences India Group, 2005
31. John R. Graham Senior Clinician's Forum Award, American Headache Society, 2005
32. Honorary Director for Life, Fairhill Center, Cleveland, 2006
33. University Hospitals Case Medical Center, Neurological Institute Leadership Award, 2007
34. A.B. Baker Lifetime Achievement in Neurological Education Award, American Academy of Neurology, 2008.
35. University of Pennsylvania School of Medicine Parade Grand Marshall, Medical Alumni Weekend, 2011
36. Honorary Fellow, American Neurological Association, 2013
37. Lifetime Achievement Award, National Headache Foundation, 2014

**Marquis Who'sWho Publications Listings**

1. Who'sWho is America
2. Who'sWho in the World
3. Who'sWho in Science and Engineering

**GOVERNMENTAL PROCLAMATIONS**

1. State of Ohio, Proclamation of Recognition, signed by Governor George Voinovich, October 1, 1991
2. Ohio House of Representatives, Proclamation of Recognition, signed by the Speaker of the House, Vern Riffe, January 1994
3. City of Philadelphia, Citation of Recognition, signed by Mayor John F. Street, May 14, 2000
4. The General Assembly of the State of Ohio, Ohio Senate, Proclamation of Recognition, signed by the President of the Ohio Senate, Richard H. Finan and Eric D. Fingerhut, 25<sup>th</sup> Senatorial District, October 2001
5. City of Cleveland, Proclamation of Recognition, signed by Jane L. Campbell, Mayor, April 26, 2002
6. Ohio House of Representatives, Proclamation of Recognition, signed by the Speaker of the House, Larry Householder, August 2003
7. Resolution honoring Robert B. Daroff, M.D., from the Cuyahoga County Commissioners, November 6, 2003

**SCIENTIFIC PRESENTATIONS, LECTURESHIPS, PROGRAM PARTICIPATION**

(Community hospital continuing education and intramural lectures are not listed)

1. "See-Saw Nystagmus," Second Postgraduate Symposium on Clinical Neuro-Ophthalmology, sponsored by University of Miami School of Medicine, Department of Ophthalmology and The Bascom Palmer Eye Institute, Miami Beach, Florida, January 4, 1965.
2. "Cerebral Malaria in Vietnam," San Francisco Neurological Association, San Francisco, California, November 29, 1967.
3. Visiting Lecturer in Neuro-Ophthalmology to the Eye Section of Hawaiian Eye, Ear, Nose, and Throat Society, February 18-22, 1968. Ten-hour course in Neuro-Ophthalmology at the Queens Medical Center, Honolulu, Oahu.
4. Faculty of "Sixth Postgraduate Symposium on Clinical Neuro-Ophthalmology," sponsored by the Department of Ophthalmology and The Bascom Palmer Eye Institute of the University of Miami School of Medicine, Miami, Florida, January 7-10, 1969.  
*Presentation: "Ophthalmoneurological Motility Pearls"*
5. "Experiences of a Physician in Vietnam," University of Miami School of Medicine Chapter of Student's American Medical Association, Miami, Florida, February 18, 1969.
6. Discussion of "Diabetic Ophthalmoplegia: A Clinico-Pathological Investigation," a paper by Asbury et al., American Neurological Association, Beverly Hills, California, June 9, 1969 (by invitation).
7. "The Syndrome of Raeder and Carotid Cavernous Aneurysms," Mt. Sinai Hospital, Miami Beach, Florida, September 12, 1969.
8. Faculty of "Symposium on Control of Eye Movements," sponsored by Smith-Kettlewell Institute of Visual Sciences, Pacific Medical Center and the Department of Visual Sciences of the University of Pacific Graduate School of Medical Sciences, San Francisco, California, November 10-11, 1969.  
*Presentation: "Neurophysiological, Neuro-Ophthalmological Correlation in Eye Movements" (with Dr. W.F. Hoyt)*
9. Faculty of "Seventh Annual Neuro-Ophthalmology Course," sponsored by the Department of Ophthalmology and The Bascom Palmer Eye Institute of the University of Miami School of Medicine, Miami Beach, Florida, January 5-9, 1970. *Presentation: "Ocular Motor Manifestations of Brain Stem and Cerebellar Dysfunction"*
10. Neuro-Ophthalmic Pathology Symposium, "Pathology of Oculomotor Nerve Palsy in a Diabetic," Wilmer Ophthalmological Institute, Johns Hopkins Hospital, Baltimore, Maryland, February 27, 1970 (presented by Dr. Weber).
11. Faculty of "Special Course in Neuro-Ophthalmology," American Academy of Neurology, Miami Beach, Florida, April 29, 1970. *Presentation: "Pathophysiology of the Ocular Motor System"*
12. Faculty of "International Conference on Vascular Diseases of the Brain and Spinal Cord," sponsored by the American Academy of Neurology and the University of South California School of Medicine, Anaheim, California, May 25, 1970. *Presentation: "Neuro-Ophthalmology in Cerebral Vascular Disease"*
13. Opening Address in the session, "Neurological Aspects of Ocular Movements," Oxford Ophthalmological Congress, Oxford, England, July 7, 1970. *Presentation: "Physiologic, Anatomic and Pathophysiologic Considerations of Eye Movements"*
14. Guest Lecturer, Institute of Neurology, The National Hospital for Nervous Diseases, Queen Square, London, England, July 10, 1970. *Presentation: "Ocular Manifestations of Brain Stem and Cerebellar Dysfunction"*
15. Visiting Lecturer in Neuro-Ophthalmology, The Wilmer Eye Institute, Department of Ophthalmology, The Johns Hopkins University School of Medicine, Baltimore, Maryland, September 17-19, 1970.  
*Presentations: "Ocular Motility", "The Pupillary System"*
16. Faculty of "Anesthesiology and the Nervous System," Eighth Annual Postgraduate Seminar sponsored by the Departments of Anesthesiology of the University of Miami School of Medicine and the University of Florida College of Medicine, Hollywood Beach, Florida, January 7-10, 1971.  
*Presentation: "Pathophysiology of Cerebral Edema"*
17. "Eye Movements and Ocular Muscles," Puget Sound Academy of Ophthalmology, Seattle, Washington, January 17, 1971 (presented by Dr. David).
18. Invited participant in Symposium on "Neurological Systems," Biomedical Engineering Society, 55th Annual Meeting of Federation of American Societies for Experimental Biology, Chicago, Illinois, April 15, 1971.  
*Presentation: "The Metrics of Normal Human Saccadic Eye Movements"*
19. Visiting Professor of Neurology, Medical College of Georgia, Augusta, Georgia, May 24-25, 1971.

**SCIENTIFIC PRESENTATIONS, LECTURESHIPS, PROGRAM PARTICIPATION (cont'd)**

20. Visiting Lecturer in Neuro-Ophthalmology, Neurology Service, West Haven Veterans Administration Hospital and Department of Neurology, Yale University School of Medicine, July 19-20, 1971. *Presentations: "Eye Movement Disturbances in Brain Stem and Cerebellar Disease", "Assorted Eye Movement Disorders" (with Dr. N.J. David), "Some Aspects of Eye Movement Physiology"*
21. Instructor, Clinical Seminar Program, Annual Assembly of the American Academy of General Practice, Miami Beach, Florida, October 4-7, 1971.
22. Faculty of "Ninth Annual Neuro-Ophthalmology Course," sponsored by the Department of Ophthalmology and The Bascom Palmer Eye Institute of the University of Miami School of Medicine, Miami Beach, Florida, January 4-7, 1972. *Presentations: "Potpourri of Eye Movement Disturbances, I" (with Dr. N.J. David) "Potpourri of Eye Movement Disturbances, II" (with Dr. N.J. David)*
23. Faculty, Workshop on "Diabetic Neuropathy," Nineteenth Postgraduate Course of the American Diabetes Association, Miami, Florida, January 25, 1972.
24. Guest Lecturer in Neuro-Ophthalmology, Wills Eye Hospital, Philadelphia, Pennsylvania, March 17-18, 1972. *Presentation: "The Spectrum of Eye Movement Disorders"*
25. Guest Lecturer, Department of Neurology, Jefferson Medical College of Thomas Jefferson University, Philadelphia, Pennsylvania, March 17, 1972. *Presentation: "Aspects of Eye Movement Neurophysiology"*
26. Guest Lecturer, Department of Neurology, University of Pennsylvania School of Medicine, Philadelphia, Pennsylvania, March 20, 1972. *Presentation: "The Spectrum of Eye Movement Disorders"*
27. Faculty of Special Course in Neuro-Ophthalmology, American Academy of Neurology, St. Louis, Missouri, April 24, 1972. *Presentations: "Neurophysiology of Eye Movements", "Clinical Disorders of Gaze Mechanisms", "Ocular Oscillations" (with Dr. N.J. David)*
28. Association for Research in Vision and Ophthalmology, "Ocular Motor Function Following Hemispherectomy," Sarasota, Florida, April 27, 1972 (presented by Dr. Weber).
29. Discussion of "Unusual Abnormal Eye Movements in a Family with Hereditary Spinocerebellar Degenerations," a paper by S. Starkman et al., American Academy of Neurology, St. Louis, Missouri, April 28, 1972 (by invitation).
30. Guest Speaker, Neuro-Ophthalmology Symposium, The Brooklyn Eye and Ear Hospital Alumni Association, Jamaica, New York, May 13, 1972. *Presentation: "Eye Signs in Brain Stem and Cerebellar Disease"*
31. Discussion of "The Lesions Producing Paralysis of Downward but Not Upward Gaze," a paper by L. Jacobs et al., American Neurological Association, Chicago, Illinois, June 12, 1972 (by invitation).
32. Discussion of "Two Visual Systems in Clinical Neurology. The Readaptive Role of the Primitive Tectal System in Visual Agnosic Patients," a paper by M.I. Botez, American Neurological Association, Chicago, Illinois, June 12, 1972.
33. Visiting Professor in Neuro-Ophthalmology, University of California Medical Center, San Francisco, California, August 3-8, 1972.
34. Visiting Professor in Neurology, Vanderbilt University School of Medicine, Nashville, Tennessee, August 10-11, 1972. *Presentations: "Chronic Progressive External Ophthalmoplegia", "Oscillatory Disturbances of Eye Movements"*
35. Faculty, "Postgraduate Seminar in Neuromuscular Diseases," sponsored by the Department of Neurology, University of Miami School of Medicine, Miami Beach, Florida, November 8-11, 1972. *Presentation: "Advances in Treatment of Myasthenia Gravis"*
36. "Medical Diagnosis of Eye Movement Disorders," Committee on Vision of the National Academy of Sciences-National Research Council (NAS-NRC), Washington, D.C., November 30, 1972 (by invitation).
37. Guest Lecturer, Department of Neurology, George Washington University School of Medicine, Washington, D.C., December 1, 1972. *Presentation: "Acquired Disorders of Eye Movements"*
38. Faculty, "Neuro-Ophthalmology Course," sponsored by the Department of Ophthalmology and The Bascom Palmer Eye Institute of the University of Miami School of Medicine, Key Biscayne, Florida, January 3-6, 1973. *Presentation: "Control of Eye Movements: Supranuclear and Brainstem Mechanisms" Discussion of: "Defective Saccadic Eye Movements in Wilson's Disease"*
39. Faculty, 8th Annual Postgraduate Course "Internal Medicine 1973," University of Miami School of Medicine, Department of Medicine, Miami, Florida, February 15, 1973. *Presentation: "Treatment of Parkinsonism"*

**SCIENTIFIC PRESENTATIONS, LECTURESHIPS, PROGRAM PARTICIPATION (cont'd)**

40. Guest Faculty, University of Toronto, Faculty of Medicine, Division of Postgraduate Medical Education, Course on Ocular Motor and Vestibular Disorders, Sunnybrook Hospital, Toronto, Canada, February 26-28, 1973. *Presentations: "Neurophysiology of Eye Movements", "Neuro-Ophthalmological Examination" "Eye Movement Disturbances in Brainstem and Cerebellar Disease", "Ocular Oscillations"*
41. Faculty, American College of Physicians Postgraduate Course in "Practical Management and Therapy of Neurological Diseases," Miami Beach, Florida, March 5-8, 1973. *Presentations: "Selected Aspects of Neuro-Ophthalmology", "Seizures I. Diagnosis and Classification", "Seizures II. Treatment", "Pains in the Back"*
42. Visiting Professor of Neurology, Bowman Gray School of Medicine, Wake Forest University, Winston-Salem, North Carolina, March 20-21, 1973. *Presentation: "Physiological and Clinical Considerations of Eye Movement Control"*
43. Faculty of Special Course "The Scientific Basis of Neurology," American Academy of Neurology, Boston, April 25, 1973. *Presentation: "Neurophysiology of Eye Movements"*
44. "Early Onset External Ophthalmoplegia and Retinopathy: A Distinct Clinical and Neuropathological Syndrome," American Academy of Neurology, Session on Neuromuscular Diseases, Boston, Massachusetts, April 27, 1973 (presented by Dr. Cullen).
45. "Velocity Characteristics of Normal Human Saccades," Association for Research in Vision and Ophthalmology, Sarasota, Florida, May 6, 1973 (presented by Dr. B.T. Troost).
46. Guest Lecturer, ENT Clinic, Kantonsspital, Zurich, Switzerland, August 29, 1973. *Presentation: "Pathological Oscillations of the Eyes"*
47. Visiting Professor of Neuro-Ophthalmology, Universitats-Augenklinik, Freiburg, West Germany, August 31, 1973.
48. Opening Address at the Cambridge Ophthalmological Symposium on Strabismus, School of Pythagoras, St. John's College, Cambridge, England, September 3, 1973. *Presentation: "Control of Ocular Movements"*
49. Visiting Consultant in Neuro-Ophthalmology, Medical Ophthalmology Unit, St. Thomas' Hospital, London, England, September 5, 1973.
50. Guest Lecturer, Institute of Neurology, The National Hospital for Nervous Diseases, Queen Square, London, England, September 7, 1973. *Presentation: "Pathological Oscillations of the Eyes"*
51. Faculty, "Neuro-Ophthalmology Course" sponsored by the Department of Ophthalmology and The Bascom Palmer Eye Institute of the University of Miami School of Medicine, Key Biscayne, Florida, January 7-10, 1974. *Presentations: "Migraine Syndromes", "The Ocular Myopathies", Discussions of: "Paralytic Pontine Exotropia", "Absent Oculocephalic and Oculovestibular Reflexes with Cerebral Lesions"*
52. Faculty, Postgraduate Seminar in Neurology, "A Modern Practical Approach to Neurological Medicine," Miami, Florida, January 28-31, 1974. *Presentations: "Evaluation of Headaches", "Pearls in the Diagnosis and Management of Parkinsonism"*
53. Guest Speaker, Colloquium on Cyclic Ocular Phenomena, Neuropsychiatric Institute, Center for the Health Sciences, University of California at Los Angeles, February 21, 1974 (by invitation). *Presentation: "Periodic Alternating Nystagmus: A Review of the Phenomenology and Speculations Concerning Mechanisms"*
54. Visiting Lecturer in Neuro-Ophthalmology, Department of Ophthalmology, University of Iowa School of Medicine, Iowa City, Iowa, March 5-6, 1974. *Presentations: "Aspects of Eye Movement Physiology" "Pathological Oscillations of the Eyes"*
55. Co-Chairman, Special Course in Neuro-Ophthalmology, American Academy of Neurology, San Francisco, California, April 24, 1974. *Presentation: "Ocular Oscillations: Clinical Phenomenology"*
56. Association for Research in Vision and Ophthalmology, "Saccadic Latencies to Multimodal Stimuli," Sarasota, Florida, April 24, 1974 (presented by Dr. L.F. Dell'Osso).
57. "Tensilon Infrared Optokinetic Nystagmography in the Diagnosis of Myasthenia Gravis," American Academy of Neurology, San Francisco, California, April 26, 1974 (presented by Dr. Spector).
58. Concluding and Summarizing Address of the Clinical Sciences Section of the Symposium on "Basic Mechanisms of Ocular Motility and Their Clinical Implications," Wenner-Gren Center, Stockholm, Sweden, June 3-5, 1974.
59. Myasthenia Gravis Foundation Annual Meeting, "Tensilon Infrared Optokinetic Nystagmography in the Diagnosis of Myasthenia Gravis," New York City, New York, December 6, 1974 (presented by Dr. Spector).

**SCIENTIFIC PRESENTATIONS, LECTURESHIPS, PROGRAM PARTICIPATION (cont'd)**

60. Faculty, "Neuro-Ophthalmology Course," sponsored by the Department of Ophthalmology, The Bascom Palmer Eye Institute of the University of Miami School of Medicine, Miami Beach, Florida, January 6-9, 1975. *Presentations: "Temporal, Parietal, and Occipital Lobe Disease", "Neurological Aspects of Chronic Progressive External Ophthalmoplegia"*
61. "Tensilon Infrared Optokinetic Nystagmography in the Diagnosis of Myasthenia Gravis," Neuro-Ophthalmology Course, Ibid (presented by Dr. Spector).
62. Guest Faculty, Rocky Mountain Neuro-Ophthalmology Symposium, sponsored by the Department of Neurology, University of New Mexico School of Medicine, Santa Fe, New Mexico, February 6-8, 1975. *Presentations: "Nystagmus", "Supranuclear Disorders of Ocular Motility", "Visual Problems of Cerebral Dysfunction", "Migraine, Diagnosis and Treatment", "Ocular Oscillations"*
63. Guest Speaker, Neuro-Ophthalmology Conference, sponsored by the Departments of Ophthalmology, Neurology, and Neurosurgery, McGill University and the Departments of Ophthalmology and Neurology, University of Montreal, Canada, March 17-18, 1975. *Presentation: "Ocular-Motor System: Anatomy and Physiology"*
64. Postgraduate Seminar in Neurology, "A Modern Practical Approach to Neurological Medicine," Miami, Florida, March 10-14, 1975. *Presentations: "Headaches", "Practical Management of Common Neurological Syndromes"*
65. Chairman of the General Scientific Session of the 27th Annual Meeting of the American Academy of Neurology, Miami Beach, Florida, May 3, 1975.
66. New York Academy of Sciences Conference on Myasthenia Gravis, "Endrophonium Infrared Optokinetic Nystagmography in the Diagnosis of Myasthenia Gravis," New York City, New York, May 31, 1975 (presented by Dr. Spector).
67. Fellowship of Academic Neurological Surgeons, "Nystagmus of Neurosurgical Interest," Miami, Florida, June 27, 1975.
68. Visiting Professor, Washington Hospital Center, Washington, D.C., October 4, 1975.
69. Visiting Professor of Neurology, University of Vermont School of Medicine, Burlington, Vermont, October 6-7, 1975.
70. Faculty, International Neurological Symposium, Israel, November 6-19, 1975. *Presentations: "Diagnosis and Treatment of Convulsive Disorders", "Neuro-Ophthalmology"*
71. Visiting Consultant in Neuro-Ophthalmology, Sheba Medical Center, Tel Hashimer, Tel Aviv University, Israel, November 10, 1975.
72. Visiting Professor, Tucson medical Center, University of Arizona School of Medicine, Tucson, Arizona, December 1-5, 1975.
73. Moderator, Session on "Brain," Postgraduate Seminar in Ultrasound & Nuclear Medicine, Key Biscayne, Florida, January 6, 1976.
74. Faculty, "Neuro-Ophthalmology Course," sponsored by the Department of Ophthalmology, The Bascom Palmer Eye Institute of the University of Miami School of Medicine, Key Biscayne, Florida, January 6-9, 1976. *Presentation: "Clinical Disturbances of Gaze"*
75. Third Annual Course in Practical Modern Neurology, Miami Beach, Florida, February 1-5, 1976. *Presentations: "The Pupil and Extraocular Motility in Neurologic Diagnosis", "Evaluation and Management of Headaches"*
76. Guest Faculty, Rocky Mountain Neuro-Ophthalmology Symposium, Santa Fe, New Mexico, February 5-7, 1976. *Presentations: "Vertigo", "Nystagmus", "Internuclear Disturbances of Gaze"*
77. Co-Director, Seminar in Basic Neurology, Miami Beach, Florida, February 24-27, 1976. *Presentations: "Topical Diagnosis of Neurological Disease", "Helpful Hints in Taking the Neurology Board Examination"*
78. American Neurology Society, "Eye Movement Disturbances Consequent to Brain Stem and Cerebellar Dysfunction," Palm Beach, Florida, April 26, 1976.
79. "Effects of Visual Pursuit Deficit on the Human Vestibulo-Ocular Reflex," American Academy of Neurology, Toronto, Canada, April 29, 1976 (presented by Dr. Troost).
80. Discussion of "Comparison of Acetylcholine Receptor Distribution and Muscle Histochemistry in Normal and Denervated Monkey Extraocular Muscle," a paper by S.P. Ringel et al., American Academy of Neurology, Toronto, Canada, May 1, 1976 (by invitation).

**SCIENTIFIC PRESENTATIONS, LECTURESHIPS, PROGRAM PARTICIPATION (cont'd)**

81. "Ocular Motor Pursuit Deficits and Human Vestibulo-Ocular Gain," Association for Research in Vision and Ophthalmology, Sarasota, Florida, April 27, 1976 (presented by Dr. L.F. Dell'Osso).
82. American Neurological Association, "Quantitative Analysis of the Ocular Motor Deficit in Progressive Supranuclear Palsy," San Francisco, California, June 14, 1976 (presented by Dr. B.T. Troost).
83. "Double Blind Study of Efficacy of Discase in Treatment of Disc Displacement," International Society for Lumbar Spine, June 23, 1976 (presented by Dr. Mark Brown).
84. Faculty, University of Miami School of Medicine, Department of Internal Medicine Review Course, "Fundamental and Clinical Aspects of Internal Medicine," Key Biscayne, Florida, October 11-23, 1976. *Presentations: "Dizziness", "Headaches"*
85. Faculty, "Neuro-Ophthalmology Course," sponsored by the Department of Ophthalmology, The Bascom Palmer Eye Institute of the University of Miami School of Medicine, Miami Beach, Florida, January 4-7, 1977. *Presentation: "Evaluation of Dizziness and Vertigo"*
86. Faculty, "A Neurological Update," presented by the Department of Neurology, University of Miami School of Medicine, Miami Beach, Florida, January 24-28, 1977. *Presentation: "Gaze Pathways and Gaze Disturbances"*
87. Faculty, Rocky Mountain Neuro-Ophthalmology Course, Durango, Colorado, February 9-11, 1977. *Presentations: "Supranuclear Gaze Pareses", "Nystagmus and Ocular Oscillations", "Visual Agnosias and Ocular Motor Apraxias"*
88. Co-Director, "Basic Neurology for Psychiatrists, Generalists, and Family Practitioners," presented by the Department of Neurology, University of Miami School of Medicine, Miami Beach, Florida, February 28-March 4, 1977. *Presentation: "Neurological Localization"*
89. Visiting Professor of Neurology, Duke University Medical Center, Durham, North Carolina, March 24-25, 1977.
90. Co-Chairman, Special Course in Neuro-Ophthalmology, American Academy of Neurology, Atlanta, Georgia, April 26, 1977. *Presentation: "Oscillatory Disturbances of Eye Movements"*
91. Chairman of the Afternoon General Scientific Session of the 29th Annual Meeting of the American Academy of Neurology, Atlanta, Georgia, April 28, 1977.
92. "Analog Model for Gaze-Evoked Nystagmus," Association for Research in Vision and Ophthalmology, Sarasota, Florida, April 29, 1977 (presented by Dr. L. Abel).
93. Faculty, Review Course for Certification in Internal Medicine, Miami, Florida, May 29-June 11, 1977. *Presentations: "Headaches", "Dizziness"*
94. Faculty, Fourth Annual Review Course, "Fundamental and Clinical Aspects of Internal Medicine," sponsored by the Department of Medicine, University of Miami School of Medicine, Miami, Florida, October 22, 1977. *Presentation: "Headaches"*
95. Chairman of Eye Movements Session, Workshop in Neuro-Ophthalmology, Fourth International Symposium of Department of Ophthalmology, University of Iowa College of Medicine, Iowa City, Iowa, November 11, 1977. *Presentation: "Nystagmus, A Contemporary Approach"*
96. Faculty, Symposium on Neuro-Ophthalmology, sponsored by the Minneapolis Clinic of Psychiatry and Neurology, Minneapolis, Minnesota, November 14-15, 1977. *Presentations: "Gaze Disturbances", "Ocular Oscillations"*
97. Faculty, "Neurological Update," presented by the Department of Neurology, University of Miami School of Medicine, Miami Beach, Florida, January 23-27, 1978. *Presentation: "Oscillatory Disturbances of Eye Movements"*
98. Faculty, Florida Mid-Winter Ophthalmological Seminar, Boca Raton, Florida, February 6-8, 1978. *Presentation: "Nystagmus"*
99. Faculty, Rocky Mountain Neuro-Ophthalmology Course, Durango, Colorado, February 16-18, 1978. *Presentations: "Vertigo", "Nystagmus", "Ocular Oscillations"*
100. Co-Director, "Basic Neurology for Psychiatrists, Generalists, and Family Practitioners," presented by the Department of Neurology, University of Miami School of Medicine, Miami Beach, Florida, February 27-March 3, 1978. *Presentations: "Neurological Localization", "Headaches"*
101. Faculty, "Current Clinical Concepts in Otolaryngology," presented by the Department of Otolaryngology, University of Miami School of Medicine, Miami Beach, Florida, March 24, 1978. *Presentation: "Specific Nystagmus Types"*

**SCIENTIFIC PRESENTATIONS, LECTURESHIPS, PROGRAM PARTICIPATION (cont'd)**

102. Association for Research in Vision and Ophthalmology, "Intersensory Delay in the Audio-Ocular Response," Sarasota, Florida, May 1, 1978 (presented by Dr. J. Zahn).
103. Association for Research in Vision and Ophthalmology, "Saccadic Plasticity in Humans," Sarasota, Florida, May 4, 1978 (presented by Dr. Dell'Osso).
104. Association for Research in Vision and Ophthalmology, "Fast Eye Movements in Lateral Gaze," Sarasota, Florida, May 5, 1978 (presented by Dr. L. Abel).
105. Association for Research in Vision and Ophthalmology, "Latent and Manifest Latent Nystagmus," Sarasota, Florida, May 5, 1978 (presented by Dr. D. Schmidt).
106. Moderator, Ocular Motility Section, 2nd Congress of the International Society of Neuro-Ophthalmology, National Institutes of Health, Bethesda, Maryland, May 2, 1978.
107. Faculty, "First Annual Symposium on Contemporary Clinical Neurology," presented by the Department of Neurology, Vanderbilt University School of Medicine, Hilton Head Island, South Carolina, July 6-8, 1978. *Presentations: "Neuro-Ophthalmologic Manifestations of Stroke", "Parkinson's Disease and Its Treatment" "Progressive External Ophthalmoplegia"*
108. Faculty, Fifth Annual Review Course for Certification in Internal Medicine, Key Biscayne, Florida, August 25, 1978. *Presentations: "Headaches", "Dizziness"*
109. Deutsche Ophthalmologische Gesellschaft, "Plastische und dynamische Veränderungen des sakkadischen Systems bei Augenmuskelparesen," Dusseldorf, West Germany, September 20, 1978 (presented by Dr. D. Schmidt).
110. American Neurological Association, "Absence of Rapid Eye Movement Sleep in Patients with Spinocerebellar Degeneration and Slow Saccades," Washington, D.C., September 23, 1978 (presented by Dr. I. Osorio).
111. Chairman, Afternoon Platform Session, 103rd Annual Meeting of American Neurological Association, Washington, D.C., September 23, 1978.
112. Visiting Professor of Neurology, Mayo Graduate School of Medicine, Mayo Clinic, Rochester, Minnesota, November 1-2, 1978.
113. Visiting Professor of Neurology, Letterman Army Medical Center, San Francisco, California, November 6-8, 1978.
114. Berliner Augenärztlichen Gesellschaft, "Sakkadische Bewegungsformen bei der Myasthenie," Berlin, West Germany, December 3, 1978 (presented by Dr. D. Schmidt).
115. Joseph J. Gitt Visiting Professor of Neurology, Washington University School of Medicine, St. Louis, Missouri, January 23-25, 1979.
116. Faculty, "Neurology Update," presented by the Department of Neurology, University of Miami School of Medicine, Miami Beach, Florida, January 29-February 2, 1979. *Presentations: "Dizziness and Vertigo" "Headache - Diagnosis and Treatment"*
117. Faculty, "Fifth Annual Rocky Mountain Neuro-Ophthalmology Course," Jackson Hole, Wyoming, February 21-23, 1979. *Presentations: "Neuro-Ophthalmology of Higher Cortical Disorders", "Ocular Oscillations", "Ocular Myasthenia"*
118. Director, "Basic Neurology Course," Miami Beach, Florida, February 25-March 2, 1979.
119. Faculty, Harvard Neuro-Ophthalmology Symposium, Cambridge, Massachusetts, April 9-13, 1979. *Presentations: "Vascular Headaches", "Disturbances of Gaze", "Progressive External Ophthalmoplegia" "Ocular Oscillations", "Nystagmus"*
120. Chairman, Special Course in Neuro-Ophthalmology, American Academy of Neurology, Chicago, Illinois, April 24, 1979.
121. Association for Research in Vision and Ophthalmology, "Model of Alexander's Law," Sarasota, Florida, May 4, 1979 (presented by Dr. M. Doslak).
122. Association for Research in Vision and Ophthalmology, "Saccadic Waveforms and Dynamics in Ocular Myasthenia," Sarasota, Florida, May 4, 1979 (presented by Dr. L.F. Dell'Osso).
123. "Computer Simulation of Ocular Myasthenia," Association for Research in Vision and Ophthalmology, Sarasota, Florida, May 4, 1979 (presented by Dr. L. Abel).
124. Faculty, Neuro-Ophthalmic Aspects of the Orbit and Cavernous Sinus, sponsored by the Department of Ophthalmology, Queen's University, Kingston, Ontario, May 10-12, 1979. *Presentations: "Chronic Progressive Ophthalmoplegia", "Cranial Neuropathies"*

**SCIENTIFIC PRESENTATIONS, LECTURESHIPS, PROGRAM PARTICIPATION (cont'd)**

125. Faculty, Second Annual Symposium on Contemporary Clinical Neurology, sponsored by the Department of Neurology, Vanderbilt University School of Medicine, Hilton Head Island, South Carolina, July 25-28, 1979. *Presentations: "Headache", "Vertigo", "Unequal Pupils", "Neurological Complications of Pregnancy"*
126. Faculty, Sixth Annual Review Course of Certification in Internal Medicine, Bal Harbor, Florida, August 31, 1979. *Presentations: "Headaches", "Epilepsy", "Dementia"*
127. "Postural Imbalance with Head Extension," Deutsche Physiologische Gellschaft, Kiel, West Germany, September 25, 1979 (presented by Dr. Krafczyk).
128. "Computer Simulation of Myasthenic Eye Movements," 32nd Annual Conference on Engineering in Medicine and Biology, Denver, Colorado, October 8, 1979 (presented by Dr. L. Abel).
129. "Model of Alexander's Law of Nystagmus Variation," 32nd Annual Conference on Engineering in Medicine and Biology, Denver, Colorado, October 8, 1979 (presented by Dr. M. Doslak).
130. "Questions Generated by the Systems Approach to Nystagmus," The Ocular Motor System - 1980, a meeting held at the California Institute of Technology, Pasadena, January 23, 1980 (presented by Dr. L. Dell'Osso).
131. Faculty, "Intensive Care for Neurological Trauma and Disease: A New Decade," presented by the Department of Neurological Surgery, University of Miami School of Medicine, Miami Beach, Florida, January 24, 1980. *Presentation: "Intensive Care Neurological Assessment"*
132. Faculty, "A Neurological Update," sponsored by the Department of Neurology, University of Miami School of Medicine, Miami Beach, Florida, January 30, 1980. *Presentation: "Problems in the Diagnosis and Management of Myasthenia Gravis"*
133. Faculty, The Annual President's Meeting of the Washington State Academy of Ophthalmology, Seattle, Washington, February 1-2, 1980. *Presentations: "Headaches", "Ocular Oscillations"*
134. Faculty, "Sixth Annual Rocky Mountain Neuro-Ophthalmology Course," Santa Fe, New Mexico, February 20-22, 1980. *Presentations: "Pupil", "Cerebellar Eye Signs", "Progressive External Ophthalmoplegia"*
135. Co-Director, "Basic Neurology for Psychiatrists and Generalists," presented by the Department of Neurology, University of Miami School of Medicine, Miami Beach, Florida, February 26-March 2, 1980.
136. "Alexander's Law: A Model and Resulting Study," The American Neurology Society, Palm Beach, Florida, April 12, 1980 (presented by Dr. M. Doslak).
137. Co-Chairman, Neuro-Ophthalmology Breakfast Seminar, American Academy of Neurology, New Orleans, Louisiana, April 29, 1980.
138. "Experimental Studies of Alexander's Law," Association for Research in Vision and Ophthalmology, Sarasota, Florida, May 7, 1980 (presented by Dr. M. Doslak).
139. "Unilateral INO: Recovery and Plasticity," Association for Research in Vision and Ophthalmology, Sarasota, Florida, May 7, 1980 (presented by Dr. L. Dell'Osso).
140. Discussion of "Downbeat Nystagmus," a paper by R.W. Baloh and J.W. Spooner, American Academy of Neurology, New Orleans, May 2, 1980 (by invitation).
141. Visiting Professor of Neurology, University of Toronto School of Medicine, May 5-7, 1980 (Third Annual Sidney Starkman Lecturer).
142. Faculty, American College of Physicians, Medical Knowledge Self Assessment Program V, Neurology, Cleveland, Ohio, September 4, 1980.
143. "Ocular Myasthenia Gravis," Department of Ophthalmology Conference, Cleveland Clinic Foundation, Cleveland, Ohio, September 13, 1980.
144. "Cerebral Malaria and Other Experiences of a Neurologist in Vietnam, 1966," Alpha of Ohio Chapter of Alpha Omega Alpha, Fall Lecture, Cleveland, Ohio, November 6, 1980.
145. "Saccadic Eye Movements in Myasthenia Gravis," Conference on Myasthenia Gravis, New York Academy of Sciences, New York City, New York, December 4, 1980.
146. Faculty, "The 1980 Neuro-Ophthalmology Course," sponsored by the Department of Ophthalmology of the University of Miami School of Medicine, Miami, Florida, December 10-13, 1980. *Presentations: "Nystagmus - 1980", "Myasthenia: Diagnosis and Management"*
147. "Absence of VOR Suppression in the Presence of Intact Pursuit," Association for Research in Vision and Ophthalmology, Sarasota, Florida, April 28, 1981 (presented by Dr. L. Dell'Osso).
148. Chairman, Special Course in Neuro-Ophthalmology, American Academy of Neurology, Toronto, Canada, April 28, 1981.

**SCIENTIFIC PRESENTATIONS, LECTURESHIPS, PROGRAM PARTICIPATION (cont'd)**

149. Chairman, Neurology for Practitioners, "Medicine 1981," sponsored by the Department of Medicine, Case Western Reserve University School of Medicine, Cleveland, Ohio, May 9, 1981.  
*Presentations: "Headaches I Diagnosis", "Headaches II Treatment"*
150. Visiting Professor, Northeastern Ohio Universities College of Medicine, Timken Mercy Medical Center, Canton, Ohio, May 12, 1981. *Presentation: "Non-migrainous Causes of Headaches"*
151. "Nystagmus, 1981," Annual Meeting of the Ohio State Medical Association, Cleveland, Ohio, May 18, 1981.
152. "Neuro-Ophthalmology for the Practitioner," sponsored by The Cleveland Clinical Educational Foundation's Center for Continuing Medical Education, Cleveland, Ohio, May 29, 1981. *Presentations: "Cerebellar Eye Signs", "Chronic Progressive Ophthalmoplegia"*
153. "Dizziness, Its Causes and Cures," Amici Medicinae, Case Western Reserve University School of Medicine, Cleveland, Ohio, June 10, 1981 (with Dr. B.T. Troost).
154. "Cerebellar Eye Signs," Annual Meeting of the Neurosurgical Travel Club, Gwinn Estate, Bratenahl, Ohio, June 26, 1981.
155. Visiting Professor of Neurology, Faculty of Medicine, University of Zagreb, Zagreb, Yugoslavia, August 24-25, 1981.
156. "Cerebellar Eye Signs," Society of Neurology, Medical Association of Croatia, Zagreb, Yugoslavia, August 25, 1981.
157. Visiting Professor of Neurology, Alfried Krupp Krankenhaus, Essen, West Germany, August 27-28, 1981.
158. Coordinator and Moderator, Session on Disorders of Horizontal and Vertical Gaze, International Symposium on "Functional Basis of Ocular Motility Disorders," Wenner-Gren Center, Stockholm, Sweden, September 1, 1981.
159. Invited Discussor and Panelist, Session on Disorders of the Cerebellum, International Symposium on "Functional Basis of Ocular Motility Disorders," Wenner-Gren Center, Stockholm, Sweden, September 2, 1981.
160. Invited Lecturer, Symposium on "The Neuro-Ophthalmology of Migraine," 1981 Annual Meeting of the Royal College of Physicians and Surgeons of Canada, Toronto, Canada, September 18, 1981.  
*Presentation: "Migraine: An Overview"*
161. "Diagnosing Dizziness," Ohio Medical Education Network (OMEN), sponsored by the Center for Continuing Medical Education, Ohio State University College of Medicine, Columbus, Ohio, October 12-16, 1981 (with Dr. B.T. Troost).
162. Visiting Professor of Neurology, The Cleveland Clinic Foundation, Cleveland, Ohio, November 2-4, 1981.
163. Coordinator and Main Speaker, Symposium on the Diagnosis and Treatment of Headaches, sponsored by the Department of Continuing Medical Education, Case Western Reserve University School of Medicine, University Hospitals of Cleveland, and VA Mid-Atlantic Regional Medical Education Center, Richfield, Ohio, November 13-14, 1981.
164. "Eye Movement Abnormalities in the Eaton-Lambert Syndrome," Annual Meeting of the Myasthenia Gravis Foundation, New York, New York, December 4, 1981.
165. Faculty, "8th Annual Frontiers in Ophthalmology Seminar," sponsored by St. Luke's Hospital Medical Center's Prentice Eye Institute, Phoenix, Arizona, February 18-20, 1982. *Presentations: "Chronic Progressive External Ophthalmoplegia", "Headaches", "III, IV, VI Nerve Palsies"*
166. Visiting Professor, Department of Neurosciences of the Medical College of Ohio, Toledo, Ohio, March 3, 1982.
167. Chairman, Special Course in Neuro-Ophthalmology, American Academy of Neurology, Washington, D.C., April 26, 1982.
168. Faculty, Breakfast Symposium, American Academy of Neurology, "Doctor, I'm Dizzy," Washington, D.C., April 27-28, 1982.
169. "Eye Movement Abnormalities in the Eaton-Lambert Syndrome," Association for Research in Vision and Ophthalmology, Sarasota, Florida, May 4, 1982 (presented by Dr. L. Dell'Osso).
170. Visiting Professor of Neuro-Ophthalmology, Wills Eye Hospital, Thomas Jefferson University, Philadelphia, Pennsylvania, May 12, 1982.
171. "Chronic Progressive External Ophthalmoplegia," Department of Neurology, University of Pennsylvania, Philadelphia, Pennsylvania, May 13, 1982.

**SCIENTIFIC PRESENTATIONS, LECTURESHIPS, PROGRAM PARTICIPATION (cont'd)**

172. Guest Speaker, 37th Annual Meeting of the Ogden Surgical Society, Ogden, Utah, May 18-21, 1982. *Presentations: "What's New in My Specialty", "Treatment, Diagnosis, and Prognosis of Transient Ischemic Attacks"*
173. Visiting Professor of Neurology, Northwestern University School of Medicine, Chicago, Illinois, June 8, 1982.
174. Faculty, Neuro-ophthalmology Course, Canadian Congress of Neurological Sciences, Toronto, Canada, June 23, 1982. *Presentation: "Disorders of Gaze"*
175. Faculty, Fifth Annual Symposium on Contemporary Clinical Neurology, sponsored by the Department of Neurology, Vanderbilt University Medical Center, Hilton Head, South Carolina, July 27-31, 1982. *Presentations: "Cerebellar Eye Signs", "Nystagmus", "III, IV, and XI Nerve Palsies"*
176. Neurology Consultant, Walter Reed Army Medical Center and Uniformed Services University of Health Sciences, Washington, D.C. and Bethesda, Maryland, September 28, 1982.
177. "Myasthenia Gravis Update," Myasthenia Gravis Workshop, co-sponsored by the Ohio Chapter of the Myasthenia Gravis Foundation and Timken Mercy Medical Center, Canton, Ohio, October 29, 1982.
178. Chairman, First Scientific Session of the Medical Advisory Board of the Myasthenia Gravis Foundation, New York, New York, December 3, 1982.
179. Visiting Professor of Neurology, University of Massachusetts Medical School, Worcester, Massachusetts, December 14, 1982.
180. Faculty, 10th Annual Meeting of Southern Clinical Neurological Society, Sarasota, Florida, January 23-28, 1983. *Presentations: "Disturbances of Gaze", "Peripheral Eye Movement Disorders", "Cerebellar Eye Signs"*
181. Faculty, 16th Annual "Recent Advances in Neurology," sponsored by the Department of Neurology of the University of California, San Francisco, California, February 10, 1983. *Presentations: "Cerebellar Eye Signs", "Progressive External Ophthalmoplegia"*
182. Coordinator, "Chronic Pain, Its Causes and Treatment," Amici Medicinae, Case Western Reserve University School of Medicine, Cleveland, Ohio, February 23, 1983.
183. Visiting Professor of Neurology, Cornell Medical Center, New York, New York, March 1-3, 1983.
184. Faculty, Third Annual Critical Care Symposium on Practical Approaches to Critical Care Neurology and Neurosurgery, sponsored by the Center for the Critically Ill, Cleveland, Ohio, April 14, 1983. *Presentation: "Management of Status Epilepticus"*
185. Faculty, Breakfast Symposium, "Doctor, I'm Dizzy," American Academy of Neurology, San Diego, California, April 26, 1983.
186. Chairman, Special Course in Neuro-Ophthalmology, American Academy of Neurology, San Diego, California, April 26, 1983.
187. Faculty, "Medicine 1983," sponsored by the Department of Medicine, Case Western Reserve University School of Medicine, Cleveland, Ohio, May 5, 1983. *Presentations: "Myasthenia Gravis: Diagnosis and Management", "Transient Ischemic Attacks in Strokes: Diagnosis, Medical and Surgical Therapy"*
188. Visiting Lecturer, Iowa, Western Illinois Neurological Association, Iowa City, Iowa, June 10-11, 1983. *Presentations: "Cerebellar Eye Signs", "Chronic Progressive External Ophthalmoplegia"*
189. Visiting Professor, University of Wisconsin Medical School, Madison, Wisconsin, August 26, 1983. *Presentations: "The Diagnosis and Treatment of Transient Ischemic Attacks" (Medical Grand Rounds) "Cerebellar Eye Signs" (Neurology Grand Rounds)*
190. Visiting Professor of Neurology, Medical University of South Carolina, Charleston, South Carolina, September 8, 1983.
191. Guest Lecturer, Myasthenia Gravis Association Annual Meeting, Detroit, Michigan, October 9, 1983. *Presentation: "Update on Myasthenia Gravis"*
192. Chairman, Scientific Session on Medical Advisory Board of Myasthenia Gravis Foundation, New York, New York, December 2, 1983.
193. Visiting Professor of Neuro-Ophthalmology, Department of Neurology and Ophthalmology, The Washington Hospital Center, Washington, D.C., February 4, 1984. *Presentation: "Eye Signs of Cerebellar Disease"*
194. Moderator, Session III, Sixteenth Annual Meeting of the Frank B. Walsh Society, Cleveland, Ohio, February 24, 1984.
195. "A Progressive Pulmonary, Ocular, and Neurological Disorder," Sixteenth Annual Meeting of the Frank B. Walsh Society, Cleveland, Ohio, February 25, 1984 (presented by Dr. M. Hanson).

**SCIENTIFIC PRESENTATIONS, LECTURESHIPS, PROGRAM PARTICIPATION (cont'd)**

196. "Head and Face Pain," Alpha Omega Dental Fraternity, Beachwood, Ohio, March 14, 1984.
197. The Bernard J. Alpers Lecturer in Clinical Neurology, Jefferson Medical College of Thomas Jefferson University, Philadelphia, Pennsylvania, April 5, 1984. *Presentation: "Progressive External Ophthalmoplegia"*
198. Visiting Professor in Neurology, Jefferson Medical College of Thomas Jefferson University, Philadelphia, Pennsylvania, April 5-6, 1984. *Presentation: "Cranial Neuropathies"*
199. Faculty, Breakfast Symposium, "Doctor, I'm Dizzy," American Academy of Neurology, Boston, Massachusetts, April 9 and April 14, 1984.
200. Discussion of "Nuclear Magnetic Resonance Imaging in Neuro-Ophthalmologic Syndromes," a paper by L.D. DeWitt, S. Wray et al., American Academy of Neurology, Boston, Massachusetts, April 10, 1984 (by invitation).
201. "The Mechanism of Saccadic Eye Movements in Health and Disease - Particularly Schizophrenia," Mailman Research Center Laboratories for Psychiatric Research, McLean Hospital, Department of Psychology and Social Relations, Harvard University, Belmont, Massachusetts, April 10, 1984.
202. Discussion of "Malignant Migraine Syndrome: Classic Migraine, Occipital Seizures, and Alternating Strokes," a paper by G. Dvorkin et al., American Academy of Neurology, Boston, Massachusetts, April 12, 1984 (by invitation).
203. Chairman, Special Course in Neuro-Ophthalmology, American Academy of Neurology, Boston, Massachusetts, April 14, 1984.
204. "Slow Saccades and Hypometria in Anticonvulsant Toxicity," Association for Research in Vision and Ophthalmology, Sarasota, Florida, May 2, 1984 (presented by Dr. S. Thurston).
205. "Square Wave Oscillation and Saccadic Intrusions," Association for Research in Vision and Ophthalmology, Sarasota, Florida, May 4, 1984 (presented by Dr. L. Dell'Osso).
206. Visiting Professor of Neurology, Baylor College of Medicine, Houston, Texas, May 17, 1984.
207. Visiting Professor of Neurology, University of Texas at Houston Medical School, Houston, Texas, May 18, 1984.
208. Invited Panelist, Panel Discussion on "Diagnosis and Pharmacologic Management of Blepharospasm, Meige's Disease and Other Facial Dystonias," Second International Benign Essential Blepharospasm Research Foundation Meeting, Iowa City, Iowa, June 8-9, 1984.
209. G. Milton Shy Visiting Professor and memorial Lecturer, Departments of 210. Neurology, The College of Physicians and Surgeons of Columbia University and The University of Pennsylvania School of Medicine, New York, New York, and Philadelphia, Pennsylvania, October 16-18, 1984.
210. Visiting Professor of Neurology, Massachusetts General Hospital, Harvard Medical School, Boston, Massachusetts, November 29-30, 1984.
211. Moderator, Symposium on Thymectomy, Scientific Session of Medical Advisory Board of Myasthenia Gravis Foundation, New York, New York, November 30, 1984.
212. Visiting Professor of Neurology, The University of Western Ontario; Invited Lecturer, London Neurosciences Association, London, Canada, March 12, 1985.
213. Neurological Consultant, Gundersen Medical Foundation, LaCrosse, Wisconsin, March 13, 1985. *Presentation: "Diagnosis and Treatment of Headaches"*
214. Chairman, Breakfast Seminar on Drop Attacks, Annual Meeting of the American Academy of Neurology, Dallas, Texas, May 3, 1985.
215. Chairman, Special Course in Neuro-Ophthalmology, Annual Meeting of the American Academy of Neurology, Dallas, Texas, May 4, 1985.
216. Visiting Professor of Neuro-Ophthalmology, Kawasaki University, Kurashiki, Japan, May 28, 1985.
217. Visiting Professor of Neuro-Ophthalmology, sponsored by the Departments of Ophthalmology of Kitasato University and the Jikei School of Medicine, Kitasato University Hospital, Sagamihari-shi, Kanagawa, Japan, May 30, 1985.
218. Invited Participant, Second Sendai Forum on Clinical Neurology, sponsored by the Department of Neurology, Institute of Brain Diseases, Tohoku University School of Medicine, Sendai, Japan, June 2, 1985. *Presentation: "Cortical Mechanism of Ocular Movements"*
219. Visiting Professor, Miyagi National Hospital (National Rehabilitation Center for Stroke), Yamamoto-cho, Watari-gun, Japan, June 3, 1985.

**SCIENTIFIC PRESENTATIONS, LECTURESHIPS, PROGRAM PARTICIPATION (cont'd)**

220. Visiting Professor of Neurology, Neurologische Klinik, Klinikum Grosshadern, Ludwig Maximilians Universitat, Munich, West Germany, August 26, 1985.
221. Organizer and Moderator, Course in Neuro-Ophthalmology, XIIIth World Congress of Neurology, Hamburg, West Germany, September 2, 1985.
222. Discussion of "Painful Ophthalmoplegia," Vanderbilt University School of Medicine, Department of Neurology Case Conference, Nashville, Tennessee, September 14, 1985.
223. "Abnormal Head Position and Head Motion Associated with Nystagmus," Conference on Adaptive Processes in Visual and Oculomotor Systems, sponsored by the Smith-Kettlewell Eye Research Foundation and the National Eye Institute, Asilomar Conference Center, Monterey, California, September 18, 1985 (with Dr. L.F. Dell'Osso).
224. "Through a Glass Darkly: Latent Nystagmus Reversal When Viewing with an Ocular Prosthesis," Oculomotor Minisymposium, Annual Meeting of the American Neurological Association, Chicago, October 2, 1985 (presented by Dr. L. Abel).
225. Panelist, Management of Blepharospasm and Cranial Dystonia with Medication and Botulinum, Third International Meeting of Benign Essential Blepharospasm Research Foundation, Houston, Texas, October 25, 1985.
226. "Cortical Control of Eye Movements," Scientific Session, University of Pennsylvania Neurology Alumni Reunion, Philadelphia, Pennsylvania, November 8, 1985.
227. Moderator, Symposium on Clinical Studies, Scientific Session of Medical Advisory Board of Myasthenia Gravis Foundation, New York, New York, December 6, 1985.
228. Visiting Professor of Neurology, University of South Florida College of Medicine, Tampa, Florida, January 9, 1986.
229. Faculty, Eleventh Annual Post-Graduate Course on Headache: Theory, Diagnosis, Psychological Aspects, and Therapy. Sponsored by the American Association for the Study of Headache, Scottsdale, Arizona, January 30- February 1, 1986. *Presentation: "The Eye in Headache", Panelist: "Evaluation and Treatment of the Difficult Migraine Patient", "Evaluation and Treatment of the Difficult Headache Patient"*
230. "Can You See Through a Blind Eye? If So, What Happens?" Rocky Mountain Neuro-Ophthalmology Society, Whistler Resort, British Columbia, February 24, 1986 (presented by Dr. L.F. Dell'Osso).
231. Director, Breakfast Seminar on Drop Attacks, Annual Meeting of the American Academy of Neurology, New Orleans, Louisiana, April 27, 1986.
232. "Through an Eye Darkly - MLN Reversal by 'Looking' with a Blind Eye," Association for Research in Vision and Ophthalmology, Sarasota, Florida, April 28, 1986 (presented by Dr. L.F. Dell'Osso).
233. Chairman, Scientific Session on Neuro-Ophthalmology, American Academy of Neurology, New Orleans, Louisiana, April 30, 1986.
234. Discussion on "Clinical Features of Benign Paroxysmal Positional Vertigo," a paper by R.W. Baloh et al., American Academy of Neurology, New Orleans, Louisiana, May 1, 1986 (by invitation).
235. Faculty, Special Course in Modern Management of Headache: Mechanisms and Therapeutics, American Academy of Neurology, New Orleans, Louisiana, May 3, 1986.
236. "The Causes of Facial Pain," Conference on TMJ Update - A Multi-disciplinary Approach, sponsored by the Department of Oral and Maxillofacial Surgery, Case Western Reserve University School of Dentistry, Cleveland, Ohio, May 10, 1986.
237. "Progressive Supranuclear Palsy," The Gilbert H. Glaser Symposium, Yale University School of Medicine, New Haven, Connecticut, May 17, 1986.
238. Visiting Professor of Neurology, Tokai University School of Medicine, Isehara, Japan, June 9, 1986.
239. Moderator, Session on Motility, Gaze, and Perception, 6th Meeting of the International Neuro-Ophthalmology Society, Hakone, Japan, June 10, 1986.
240. Visiting Professor of Neurology, Nippon Medical School, Tokyo, Japan, June 12, 1986.
241. Chairman, Opening Session, Third Ocular Motor Minisymposium, Boston, Massachusetts, October 5, 1986.
242. Parker Heath Memorial Lecture, Section Council on Ophthalmology to the American Medical Association, American Academy of Ophthalmology, New Orleans, Louisiana, November 10, 1986. *Presentation: "Myasthenia Gravis"*
243. Moderator, Annual Scientific Session, Medical Advisory Board of the Myasthenia Gravis Foundation, Chicago, Illinois, December 5, 1986.

**SCIENTIFIC PRESENTATIONS, LECTURESHIPS, PROGRAM PARTICIPATION (cont'd)**

244. Invited Speaker, Session on Eye Movement Dysfunction and Schizophrenia (chaired by Seymour Kety, M.D.), American College of Neuropsychopharmacology, Washington, D.C., December 9, 1986.
245. Visiting Professor, Ohio University Osteopathic Medical Center, Athens and Columbus, Ohio, December 19, 1986. *Presentation: "Headaches"*
246. Moderator, Neuro-Ophthalmology Session, Bascom Palmer Eye Institute 25th Anniversary Symposium, Miami Beach, Florida, February 19, 1987.
247. Visiting Professor of Neurology, Ohio State University School of Medicine, Columbus, Ohio, March 18-19, 1987.
248. Director, Breakfast Seminar on Medical Journalism, Annual Meeting of the American Academy of Neurology, New York, New York, April 10, 1987.
249. "Parkinson's Disease and Other Movement Disorders," Ohio Medical Educational Network (OMEN), sponsored by the Center for Continuing Medical Education, Ohio State University College of Medicine, Columbus, Ohio, April 13-17, 1987.
250. Faculty, 10th Annual Symposium on Contemporary Clinical Neurology, sponsored by the Department of Neurology, Vanderbilt University Medical Center, Hilton Head, South Carolina, July 20-24, 1987. *Presentations: "Disorders of Cranial Nerves III, IV and VI", "Ocular Motor Nerve Disorders" "Cerebellar Eye Signs"*
251. The Robert B. Aird Visiting Professor of Neurology, University of California at San Francisco, San Francisco, California, September 14-17, 1987. *Presentations: "Progressive External Ophthalmoplegia and the Kearns Syndrome: an Update", "Disturbances of Gaze" (San Francisco Neurological Society), "Cerebellar Eye Signs" (The Robert B. Aird Lecture)*
252. Program Co-Chairman, Fifth International Meeting of the Benign Essential Blepharospasm Research Foundation, Salt Lake City, Utah, September 17-19, 1987.
253. Faculty, Neuro-Ophthalmology Course, sponsored by the Asociacion Colombiana de Neurologia, Bogota, Columbia, October 9-10, 1987. *Presentations: "Disorders of Cranial Nerves III, IV and VI", "Neuro-Ophthalmology of Headaches", "Cerebellar Eye Signs", "Disturbances of Gaze", "Myasthenia Gravis"*
254. Moderator, Annual Scientific Session, Medical Advisory Board of the Myasthenia Gravis Foundation, New York, New York, December 4, 1987.
255. Visiting Professor of Neurology, University of Michigan School of Medicine, Ann Arbor, Michigan, March 22-23, 1988.
256. Chairman, Session on Neuro-Ophthalmology, Annual Meeting of American Academy of Neurology, Cincinnati, Ohio, April 20, 1988.
257. Neurosurgical Forum, "Cranial Neuropathies, III, IV, VI," Cleveland, Ohio, April 20, 1988.
258. Moderator, Frank B. Walsh Society Scientific Session I, Neuro-Ophthalmology Congress, Vancouver, British Columbia, May 7, 1988.
259. Chairman, Clinical Eye Movement Society Scientific Session I, Neuro-Ophthalmology Congress, Vancouver, British Columbia, May 7, 1988.
260. Guest Faculty, 6th International Meeting of Benign Essential Blepharospasm Research Foundation, sponsored by the Department of Ophthalmology, Harvard Medical School, Cambridge, Massachusetts, August 27-27, 1988. *Presentation: "Differential Diagnoses of Facial Dyskinesias"*  
Visiting Professor of Neurology, Mayo Clinic, Rochester, Minnesota, September 21-22, 1988.
262. "Ocular Myasthenia," Myasthenia Gravis Foundation Annual Scientific Day, Pittsburgh, Pennsylvania, October 27, 1988.
263. Visiting Professor of Neurology and Neuro-Ophthalmology, University of South Alabama College of Medicine, Mobile, Alabama, November 15, 1988.
264. Faculty, The 1988 Neuro-Ophthalmology Course, sponsored by the Department of Ophthalmology, Bascom Palmer Eye Institute, University of Miami School of Medicine, Miami, Florida, December 8-10, 1988. *Presentation: "Kearns Syndrome: An Update"*
265. Visiting Professor of Neurology, University of Vermont School of Medicine, Burlington, Vermont, January 26-27, 1989.
266. Visiting Professor of Neurology, Georgetown University School of Medicine, Washington, D.C., February 1, 1989.

**SCIENTIFIC PRESENTATIONS, LECTURESHIPS, PROGRAM PARTICIPATION (cont'd)**

267. Faculty, Basic Approaches to Common Neurological Disorders, sponsored by the Department of Neurology, Jefferson Medical College of Thomas Jefferson University, Philadelphia, Pennsylvania, February 25, 1989. *Presentation: "Diplopia and Cranial Neuropathies: III, IV, VI"*
268. Coordinator, "Headaches. From Whence They Come," Amici Medicinae, Case Western Reserve University, Cleveland, Ohio, March 1, 1989.
269. Moderator, Section on "Ocular Motility: From Brainstem to Muscle," Annual Meeting of the North American Neuro-Ophthalmological Society, Cancun, Mexico, March 10, 1989.
270. "CPEO and Kearns Syndrome: An Update," Annual Meeting of the North American Neuro-Ophthalmological Society, Cancun, Mexico, March 10, 1989.
271. Panelist, Dinner Seminar on "Eyes, Ears, and the Dizzy Patient," Annual Meeting of the American Academy of Neurology, Chicago, Illinois, April 13, 1989.
272. Director, Seminar on Medical Journalism, Annual Meeting of the American Academy of Neurology, Chicago, Illinois, April 14, 1989.
273. Director, Special Course in "Headache: New Classifications and Current Treatment," American Academy of Neurology, Chicago, Illinois, April 19, 1989.
274. Chairman, Workshop on "The Role of Journal Editors in Promoting Good Scientific Writing," Council of Biology Editors, Rochester, Minnesota, May 21, 1989.
275. Guest Faculty, 7th International Meeting of Benign Essential Blepharospasm Research Foundation, sponsored by the Department of Neurology, Ohio State University, Columbus, Ohio, August 4, 1989. *Presentation: "Differential Diagnosis of Facial Movements"*
276. Chairman, Plenary Scientific Session on "Degenerative Mechanisms," 114th Annual Meeting of The American Neurological Association, New Orleans, Louisiana, September 26, 1989.
277. Visiting Professor of Neurology, National University of Singapore, Faculty of Medicine, Singapore, October 17, 1989.
278. Chairman, Scientific Session on Epilepsy, XIVth World Congress of Neurology, New Delhi, India, October 24, 1989.
279. Visiting Professor of Neurology, Northeast Ohio Universities College of Medicine (NEOUCOM), Akron, Ohio, November 16, 1989.
280. Guest Lecturer, Philadelphia Neurological Society, March 14, 1990. *Presentation: "The Treatment of Myasthenia Gravis"*
281. Guest Faculty, Special Course on Neurologic Management, Annual Meeting of the American Academy of Neurology, Miami Beach, Florida, April 30, 1990. *Presentation: "The Treatment of Myasthenia Gravis"*
282. Director, Seminar on Medical Journalism, Annual Meeting of the American Academy of Neurology, Miami Beach, Florida, May 1, 1990.
283. Director, Special Course in "Headache Management," Annual Meeting of the American Academy of Neurology, Miami Beach, Florida, May 5, 1990.
284. Guest Faculty, 8th International Conference of Benign Essential Blepharospasm Research Foundation and Meige's Syndrome, sponsored by Duke University, Durham, North Carolina, September 13-15, 1990. Moderator: Session on Medical Management of Blepharospasm, *Presentations: "Differential Diagnosis of Blepharospasm and Other Craniofacial Dystonias", "Pharmacological Treatment of Blepharospasm"*
285. Office of Scientific Integrity, National Institutes of Health. Invited Editor, Workshop on Scientific Integrity in Publication, for Editors of Biomedical Research Journals, Bethesda, November 1-2, 1990.
286. "Cerebellar Eye Signs," Conferencia Barraquer-Lafora, Sociedad Española de Neurología, Barcelona, December 13, 1990.
287. Director, Special Course in "Headache Management," Annual Meeting of the American Academy of Neurology, Boston, May 26, 1991.
288. Faculty, Neuro-Ophthalmology 1991, sponsored by the Division of Neuro-Ophthalmology, Case Western Reserve University School of Medicine and University Hospitals of Cleveland, Beachwood, OH, June 7, 1991. *Presentations: "Ocular Myasthenia Revisited", "Ophthalmoplegia 'Plus' Syndromes"*
289. Faculty, 9th International Conference of Benign Essential Blepharospasm Research Foundation, sponsored by the Department of Neurology, Oregon Health Sciences University, Portland, September 15, 1991. *Presentation: "Drug Treatment of Blepharospasm/Meige", Moderator: "'Ask the Doctor' Panel Discussion"*

**SCIENTIFIC PRESENTATIONS, LECTURESHIPS, PROGRAM PARTICIPATION (cont'd)**

290. Moderator, Presidential Symposium on Neurological Therapeutics, 116th Annual Meeting of the American Neurological Association, Seattle, September 30, 1991. *Presentation: "History of Therapeutic Presentations at ANA Meetings: 1875-1990"*
291. Distinguished Guest Visitor, Nebraska Academy of Neurologists and Neurosurgeons, Creighton University School of Medicine and University of Nebraska Medical Center, Omaha, October 16-18, 1991. *Presentations: "Cerebellar Eye Signs", "Treatment of Headaches", "Combat Neurology, 1966"*
292. Visiting Professor of Neurology, Vanderbilt University School of Medicine, Nashville, November 7-8, 1991. *Presentations: "Treatment of Headache", "Cerebellar Eye Signs", "Myasthenia Gravis"*
293. Visiting Professor of Neurology, Cleveland Clinic Foundation, December 2, 1991. *Presentation: "Treatment of Headaches"*
294. Fogan Lecturer, Department of Neurology, State University of New York at Buffalo, February 6-7, 1992. *Presentation: "Cerebellar Eye Signs"*
295. Invited Participant, First European-American Congress of Clinical Neurology, sponsored by the Ramon Areces Foundation, Madrid, Spain, March 11-12, 1992. *Presentation: "Ocular Oscillations"*
296. Guest Speaker, Institute of Neurological Sciences, Prince of Wales Hospital, University of South Wales, Sydney, Australia, March 23, 1992.
297. Invited Participant, 50-Year Anniversary Reunion Symposium 1942-1992, the Royal Melbourne Hospital and University Hospitals of Cleveland, Melbourne, Australia, March 24-27, 1992. *Presentations: "Dizziness" "Cerebral Control of Eye Movements"*
298. Director, Special Course on "Headaches," Annual Meeting of the American Academy of Neurology, San Diego, May 5, 1992. *Presentation: "The Eye and Headaches"*
299. Distinguished Guest Lecturer, Japanese Ophthalmological Society, Yokohama, May 8, 1992. *Presentation: "Ocular Oscillations"*
300. Guest Speaker, Ad Hoc Meeting of Tokyo Neurological Association, Tokyo, Japan, May 9, 1992. *Presentation: "Ocular Oscillations"*
301. Lettura Magistrale, Italian Society of Clinical Neurophysiology, Alghero, Sardinia, May 27, 1992. *Presentation: "Neurophysiology and Clinical Abnormalities of Ocular Movements"*
302. Moderator, Clinical Eye Movement Society Meeting (afternoon session), Williamsburg, VA, June 28, 1992.
303. Faculty, 10th Annual International Conference on Benign Essential Blepharospasm and Meige's Syndrome, sponsored by Baylor University Medical Center, Dallas, August 8, 1992. *Presentation: "Differential Diagnosis of Blepharospasm: Its Relationship to Other Craniofacial Dyskinesias"*. Moderator: "Ask the Doctor" Panel Discussion
304. Visiting Professor of Neurology, Harvard Medical School, Longwood Area Neurological Training Program, Boston, September 9-11, 1992. *Presentation: "Ocular Oscillations"*
305. Faculty, Intensive Review of Internal Medicine, Sponsored by Brigham and Women's Hospital and Harvard Medical School, Boston, September 11, 1992. *Presentation: "Headaches"*
306. Invited Lecturer, XV Congresso Brasileiro de Neurologia, sponsored by the Academia Brasileira de Neurologia. Porto Alegre, RS, Brazil, October 10-12, 1992. *Presentations: "Disturbances of Ocular Movement", "Treatment of Headaches", "Ocular Oscillations", "Advances in Neuro-Ophthalmology"*
307. Invited Lecturer, Fleni Foundation Instituto de Investigaciones Neurologicas Rau'l Carrea. Buenos Aires, Argentina, October 13, 1992. *Presentation: "Ocular Oscillations"*
308. Invited Lecturer, XVI Reunion Anual Academia Mexicana de Neurologia, Monterrey, N.L., Mexico, October 28-31, 1992. *Presentation: "Vascular Headaches and Their Treatment"*
309. Visiting Lecturer in Neurology, Department of Neurology, Hebrew University/Hadassah Medical Center, Jerusalem, November 23, 1992. *Presentation: "Disturbances of Gaze"*
310. Benjamin Boshes Memorial Lecturer, Israel Neurological Association, Zichron-Yaakov, Israel, November 25, 1992. *Presentation: "Ocular Oscillations"*
311. Visiting Professor of Neurology, Chaim Sheba Medical Center, Sackler School of Medicine, Tel Aviv University, Tel-Hashomer, Israel, November 26, 1992. *Presentations: "The Treatment of Headaches", "Exercise Therapy for Benign Positional Vertigo"*
312. Visiting Lecturer in Neuro-Ophthalmology, Icholov Hospital, Sackler School of Medicine, Tel Aviv University, November 27, 1992. *Presentations: "Cranial Neuropathies", "Ocular Myasthenia Gravis", "Chronic Progressive External Ophthalmoplegia"*

**SCIENTIFIC PRESENTATIONS, LECTURESHIPS, PROGRAM PARTICIPATION (cont'd)**

313. Visiting Professor of Neurology, Henry Ford Health Sciences Center, Detroit, December 11, 1992.  
*Presentation: "Ocular Oscillations"*
314. "Foveation Dynamics and Oscillopsia in Latent/Manifest Latent Nystagmus." North American Neuro-Ophthalmology Society, Big Sky, MT, February 8-11, 1993 (poster presented by Dr. Dell'Osso).
315. *Visiting Professor of Neurology, Medical College of Georgia, Augusta, March 11-12, 1993.*  
*Presentation: "Ocular Oscillations"*
316. Visiting Professor of Neurology, Mt. Sinai Medical Center, New York, April 3, 1993.  
*Presentation: "Ocular Oscillations"*
317. Director, Special Course on Headaches," Annual Meeting of the American Academy of Neurology, New York, April 30, 1993. *Presentation: "The Eye and Headaches"*
318. "Foveation Dynamics and Oscillopsia in Latent/Manifest Latent Nystagmus," Association for Research in Vision and Ophthalmology, Sarasota, May 4, 1993 (presented by Dr. Dell'Osso).
319. Visiting Professor of Neurology, University of California School of Medicine, Los Angeles, May 17-19, 1993. *Presentations: "Disturbances of Gaze", "Ocular Oscillations"*
320. Lezione Conclusiva Dell'Anno Accademico 1992/93. Universita' di Firenze Scuola di Specializzazione in Neurologia, Florence, Italy, June 25, 1993. *Presentation: "Ocular Oscillations"*
321. Faculty, Basic Neuro-Ophthalmology Course, Sponsored by the North American Neuro-Ophthalmology Society, Santa Fe, July 18-21, 1993. *Presentations: "Common Pupillary Disorders", "Ptosis - Myasthenia Gravis", "Ocular Oscillations", "Headache and the Eye"*
322. Co-Chairman, Symposium on Neuro-Ophthalmology. 15th World Congress of Neurology, Vancouver, September 6, 1993.
323. Faculty, 11<sup>th</sup> Annual International Conference on Benign Essential Blepharospasm and Meige Syndrome, Sponsored by Emory University School of Medicine, Atlanta, September 18-19, 1993. Moderator: "Ask the Doctor" Panel Discussion
324. Visiting Professor of Neurology, Johns Hopkins School of Medicine, Baltimore, November 18, 1993.  
*Presentation: "Ocular Oscillations"*
325. Visiting Professor, T.S. Srinivasan, Department of Clinical Neurology and Research, Public Health Centre, Madras, India, February 18, 1994.
326. Visiting Professor of Neuro-Ophthalmology, Sankara Nethralaya, Medical Research Foundation, Madras, India, February 19, 1994. *Presentation: "Ocular Oscillations"*
327. Visiting Professor of Neurology, National Institute of Mental Health and Neuro Sciences, Bangalore, India, February 21-22, 1994. *Presentation: "Ocular Oscillations"*
328. Visiting Professor of Neurology, Medical College Hospital, Trivandrum, India, February 23-24, 1994.
329. Guest Lecturer, Department of Ophthalmology, Medical College Hospital, Trivandrum, India, February 25, 1994. *Presentation: "Ocular Oscillations"*
330. Visiting Professor of Neurology, SreeChitra Tirunal Institute for Medical Sciences & Technology, Trivandrum, India, February 25-26, 1994. *Presentation: "Classification of Headaches"*
331. Visiting Professor of the Royal College of Physicians and Surgeons of Canada, Toronto, May 26, 1994.  
*Presentation: "Treatment of Headaches"*
332. J.L. Silversides Visiting Professor of Neurology, University of Toronto, May 26-27, 1994.  
*Presentations: "Ocular Oscillations", "Diagnosis and Management of Myasthenia Gravis"*
333. Moderator, Session on Saccadic and Pursuit Abnormalities in Hemispheric Lesions, Tenth International Neuro-Ophthalmology Society, Freiburg, Germany, June 8, 1994.
334. Faculty, 12th International Conference on Benign Essential Blepharospasm, sponsored by the University of Minnesota School of Medicine, Minneapolis, August 6-7, 1994. *Presentation: "Review of BEBRF Funded Research"*, Moderator: "Ask the Doctor" Panel Discussion
335. Faculty, Educational Course on Headache, sponsored by the Migraine Trust and World Federation of Neurology Research Group on Migraine and Headache, London, September 5, 1994.  
*Presentation: "Symptomatic Headaches"*, Chairman, Afternoon Session
336. The Tenth Migraine Trust International Symposium, London, September 7, 1994. *Presentation: "The Eye and Headache"* (Cumings Lecture)
337. Faculty, Myasthenia Gravis: Diagnostic and Therapeutic Challenges, sponsored by Case Western Reserve University and University Hospitals of Cleveland, Cleveland, September 14, 1994. *Presentation: "Diagnosis and Treatment of Ocular Myasthenia"*

**SCIENTIFIC PRESENTATIONS, LECTURESHIPS, PROGRAM PARTICIPATION (cont'd)**

338. Vice Chairman, Blepharospasm Workshop, sponsored by Benign Essential Blepharospasm Research Foundation and National Institute of Neurologic Disease and Stroke, Bethesda, February 10-11, 1995. *Presentation: "Research Priorities for Blepharospasm"*
339. Moderator, Session on Ocular Muscle Disease, North American Neuro-Ophthalmology Society, Tucson, February 21, 1995.
340. Faculty, 40th Anniversary Symposium, Department of Neurology, University of Miami School of Medicine, Miami, March 5, 1995. *Presentation: "Headache and the Eye"*
341. Faculty, Seminar on Medical Journalism, Annual Meeting of American Academy of Neurology, Seattle, May 12, 1995.
342. Faculty, 13th International Conference on Benign Essential Blepharospasm, sponsored by the University of California, Davis. Sacramento, September 16-17, 1995. Moderator: "Ask the Doctor" Panel Discussion
343. Visiting Professor, Al Noor Hospital, Abu Dhabi, United Arab Emirates, October 3-10, 1995. *Presentation: "Treatment of Headaches"*
344. Consultant in Neurology, Amiri Court, State of Bahrain, January 24-26, 1996.
345. Faculty, Seminar on Medical Journalism, Annual Meeting of American Academy of Neurology, San Francisco, March 29, 1996.
346. Faculty, Symposium on Pain, sponsored by the Czech Headache Society and the Czech Society for the Study of Pain, Department of Neurology, 1st Medical Faculty, Charles University, Prague, May 15, 1996. *Presentation: "Treatment of Headaches"*
347. "Eye Movements in Health and Disease," in Symposium on Responses to Recent Challenges in Medicine, in honor of the 100th Birthday of Ernst Jung, Jung-Stiftung für Wissenschaft und Forschung, Hamburg, May 17, 1996.
348. American Council for Headache Education Lecture, American Association for the Study of Headache, San Diego, May 31, 1996. *Presentation: "The Eye and Headache"*
349. Faculty, 14th International Conference on Benign Essential Blepharospasm, sponsored by Johns Hopkins University School of Medicine, Baltimore, August 10-11, 1996. Moderator: "Ask the Doctor" Panel Discussion
350. Opening Remarks and Session Chair: International Symposium for Therapy of Ocular Motility and Related Visual Disturbances, Cleveland, November 15, 1996.
351. Faculty, The Practicing Physicians Approach to the Difficult Headache Patient, sponsored by the Diamond Headache Clinic Research and Education Foundation, Rancho Mirage, CA, February 19-23, 1997. *Presentation: "The Eye and Headache"*
352. Visiting Professor, University of Arkansas College of Medicine, Little Rock, March 13-15, 1997. *Presentations: "Ocular Oscillations", "Headaches", "Vertigo"*
353. Mortan Nathanson Distinguished Lectureship in Neurology. Long Island Jewish Medical Center, Albert Einstein College of Medicine, New Hyde Park, March 19, 1997. *Presentation: "Ocular Oscillations"*
354. Bernard A. Rogowski Lecturer, Department of Neurology, Yale University School of Medicine, New Haven, April 1, 1997. *Presentation: "Ocular Oscillations"*
355. "Blurred Vision in a 54-y.o. Woman: *Maladie de la Maison*," Annual Meeting of the Frank Walsh Society, Baltimore, April 5, 1997 (presented by Dr. Lea Averbuch-Heller).
356. Faculty, Course on Headache in Adults, Annual Meeting of the American Academy of Neurology, Boston, April 14, 1997. *Presentation: "The Eye and Headache"*
357. Faculty, Seminar on Medical Journalism, Annual Meeting of the American Academy of Neurology, Boston, April 14, 1997.
358. "What's in a Name: Dr. Lewey and the Lewy Body." Poster Presentation at the Annual Meeting of the American Academy of Neurology, Boston, April 16, 1997 (presented by Dr. Patrick Sweeney).
359. Co-chair, "Meet the Professor" Session, Teaching Course I, 8<sup>th</sup> Congress of the International Headache Society, Amsterdam, June 10, 1997.
360. Co-Chair, Opening Symposium "The Burden of Headache-From Patient to Health Economy", Part II: Headache Disease Management in the Third Millennium, 8<sup>th</sup> Congress of the International Headache Society, Amsterdam, June 11, 1997.

**SCIENTIFIC PRESENTATIONS, LECTURESHIPS, PROGRAM PARTICIPATION (cont'd)**

361. Faculty, 20<sup>th</sup> Annual Vanderbilt Contemporary Clinical Neurology Symposium, sponsored by the Department of Neurology, Vanderbilt University Medical Center, Hilton Head, South Carolina, July 14-18, 1997. *Presentations: "Ocular Oscillations", "Ocular Myasthenia", "Headache and The Eye", "Treatment of Headaches"*
362. Faculty, 15<sup>th</sup> International Conference on Benign Essential Blepharospasm, sponsored by Ohio State University School of Medicine, Columbus, Ohio, August 23-24, 1997. Moderator: "Ask the Doctor" Panel Discussion
363. "Approach to the Dizzy Patient", Workshop on Vertigo: Diagnosis and Treatment, XVIth World Congress of Neurology, Buenos Aires, September 13, 1997.
364. Co-Chairman, Course on How to Write a Scientific Paper, op cit, September 14, 1997.
365. Chairman, Symposium on Neuro-ophthalmology and Neuro-otology, op cit, September 17, 1997. *Presentation: "Ocular Oscillations"*
366. Chairman, Poster Discussions on Neuro-otology, op cit, September, 18, 1997
367. Chairman, Poster Discussions on Multiple Sclerosis, op cit, September 19, 1997
368. Faculty, The Scottsdale Headache Symposium, sponsored by The American Association for the Study of Headache, Scottsdale, AZ, November 14-16, 1997. *Presentations: "The Eye and Headache", "Difficult Diagnostic Cases"*
369. Faculty, Headache Now, sponsored by The American Association for the Study of Headache, Cancun, January 16-18, 1998. *Presentations: "Migraine and the Eye", "Tertiary Care Case Studies"*
370. Faculty, 25<sup>th</sup> Annual Meeting of the Southern Clinical Neurological Society, Huatulco, Mexico, January 18-22, 1998. *Presentations: "The Auras of Migraine", "Complicated Migraine and Conditions Masquerading as Migraine/Cluster"*
371. Faculty, The Practicing Physicians Approach to the Difficult Headache Patient, sponsored by the Diamond Headache Clinic, Research and Education Foundation, Rancho Mirage, CA, February 18-22, 1998. *Presentation: "The Eye and Headache"*
372. Faculty, Seminar on Medical Journalism, Annual Meeting of the American Academy of Neurology, Minneapolis, April 27, 1998.
373. "Neurologists in the Vietnam War", Annual Meeting of the American Academy of Neurology, Minneapolis, April 28, 1998. (*Poster presentation with Dr. C.H. Gunderson.*)
374. "Meet the Professor" Luncheon. Annual Meeting of the American Academy of Neurology, Minneapolis, May 1, 1998.
375. Panelist, "Fabrication, Falsification, and Plagiarism (FF&P), Annual Meeting of Council of Biology Editors, Salt Lake City, May 3, 1998.
376. Visiting Professor of Neurology, Mt. Sinai Medical Center, New York, May 18, 1998. *Presentation: "Headaches and the Eye"*
377. Visiting Professor of Neurology, University of New Mexico School of Medicine, Albuquerque, June 11-12, 1998. *Presentation: "Headaches and the Eye"*
378. Faculty, 16<sup>th</sup> Annual International Conference on Benign Essential Blepharospasm, sponsored by Washington University School of Medicine, St. Louis, August 22-23, 1998. *Presentation: "Differential Diagnosis of BEB, Meige, Hemifacial Spasm, and Other Eye Closing Problems"* Moderator: "Ask the Doctor" Panel Discussion
379. Faculty, The 1998 Scottsdale Headache Symposium, sponsored by The American Association for the Study of Headache, Scottsdale, AZ, November 6-8, 1998. *Presentation: "The Eye and Headache"* Moderator: Difficult Diagnosis (Case Studies) Workshop
380. Guest Speaker, The Indiana Neurological Society, Indianapolis, November 13, 1998. *Presentation: "The Eye and Headache"*
381. Faculty, Headache Now, sponsored by The American Association for the Study of Headache San Juan, Puerto Rico, January 21-24, 1999. *Presentations: "Pseudotumor Cerebri", "Migraine and the Eye"*
382. Faculty, The 12<sup>th</sup> Annual Practicing Physicians Approach to the Difficult Headache Patient, sponsored by Fitch University of Health Sciences/Chicago Medical School, and the Diamond Headache Clinic. Rancho Mirage, CA, February 16-20, 1999. *Presentation: "The Eye and Headache"*
383. Faculty, Neurobowl, Annual Meeting of the American Academy of Neurology, Toronto, April 19, 1999.
384. Visiting Lecturer, Uludag University, Bursa, Turkey, May 17, 1999. *Presentations: "The Eye and Headache", "Nystagmus and Other Ocular Oscillations"*,

**SCIENTIFIC PRESENTATIONS, LECTURESHIPS, PROGRAM PARTICIPATION (cont'd)**

385. Faculty, 9<sup>th</sup> Congress of International Headache Society, Barcelona, June 22-26, 1999. *Presentation: "Headache and the Eye"*
386. Faculty, 17<sup>th</sup> Annual International Conference and Scientific Symposium of Benign Essential Blepharospasm Research Foundation, jointly sponsored by the Smith-Kettlewell Eye Research Institute, Asilomar, CA, September 18-19, 1999. *Presentation: "Drug Treatment for Blepharospasm/Meige and Hemifacial Spasm"*, Moderator: "Ask the Doctor" Panel Discussion
387. Faculty, The 1999 Scottsdale Headache Symposium, Sponsored by the American Association for the Study of Headache, Scottsdale, AZ, October 20-24, 1999. *Presentations: "The Eye and Headache", "Pseudotumor Cerebri"*, Moderator: "Difficult Diagnosis (Adult Case Studies)"
388. Visiting Consultant in Neurology and Neuro-Ophthalmology, King Faisal Specialist Hospital and Research Center, Riyadh, November 23-24, 1999.
389. Faculty, Headache 2000, Sponsored by the American Headache Society, San Juan, Puerto Rico, January 14-16, 2000. *Presentations: "Pseudotumor Cerebri", "Migraine and the Eye"*
390. Faculty, The 13<sup>th</sup> Annual Practicing Physicians Approach to the Difficult Headache Patient, sponsored by Fitch University of Health Sciences/Chicago Medical School, and the Diamond Headache Clinic. Rancho Mirage, CA, February 16-20, 2000. *Presentation: "The Eye and Headache"*
391. "Ocular Myasthenia Gravis", presented at the Annual Meeting of the Myasthenia Gravis Foundation of America, St. Louis, April 7, 2000.
392. Faculty, Myasthenia Gravis, Clinical and Basic Concepts, sponsored by Washington University School of Medicine, St. Louis, April 8, 2000. *Presentation: "Ocular Myasthenia Gravis"*
393. Faculty, Special Course on Headaches in Adults II, 52<sup>nd</sup> Annual Meeting of the American Academy of Neurology, San Diego, May 1, 2000. *Presentation: "Case Studies"*
394. Faculty, Special Course on Intractable Headache: Recent Advances and Controversies, 52<sup>nd</sup> Annual Meeting of the American Academy of Neurology, San Diego, May 1, 2000. *Presentation: "Controversies Regarding Headache and Ocular Structures"*
395. Guest Lecturer, Toledo Neurological Society and Medical College of Ohio, Toledo, May 15, 2000. *Presentation: "Neuro-ophthalmology and Migraine"*
396. Visiting Professor of Neurology, Military Hospital, Riyadh, Saudi Arabia, June 4-6, 2000. *Presentation: "The Eye and Headache"*
397. Panelist, 21<sup>st</sup> Century Prevention and Management of Migraine Headaches, sponsored by the National Institutes of Neurological Disorders and Stroke, National Institutes of Health, Bethesda, Maryland, June 8-9, 2000.
398. Visiting Professor of Neurology and Ophthalmology, University of Kentucky, Lexington, August 25, 2000. *Presentation: "Ocular Myasthenia"*
399. Faculty, 18<sup>th</sup> International Meeting of Benign Essential Blepharospasm Research Foundation, Jointly Sponsored by the University of Kentucky, Lexington, August 25-27, 2000. *Presentation: "The Medical Treatment of Blepharospasm, Meige, and Hemifacial Spasm"*. Moderator: "Ask the Doctor" Panel Discussion
400. Co-Chair, Eye Movement I Session, International Neuro-Ophthalmology Society Meeting, Toronto, September 12, 2000.
401. Eulogy of Lea Averbuch-Heller, 19<sup>th</sup> Annual Meeting of Clinical Eye Movement Society, Boston, October 15, 2000.
402. Faculty, Scottsdale 2000 Headache Symposium, sponsored by the American Headache Society, Scottsdale, Arizona, November 3-5, 2000. *Presentations: "Diagnosis and Classification of Primary and Secondary Headache", "Case Studies", "The Eye and Headache"*
403. Invited Discussant, Workshop on Benign Essential Blepharospasm, sponsored by the Benign Essential Blepharospasm Research Foundation and t/he National Institute of Neurological Disorders and Stroke, NIH, Washington, D.C., November 16-17, 2000.
404. Faculty, Headache Now! 2001, sponsored by the American Headache Society, Bal Harbour, Florida, January 19-21, 2001. *Presentation: "Headache Diagnosis and Testing"*
405. Faculty, The 14<sup>th</sup> Annual Practicing Physicians Approach to the Difficult Headache Patient, sponsored by Fitch University of Health Sciences/Chicago Medical School, and the Diamond Headache Clinic. Rancho Mirage, CA, February 13-17, 2001. *Presentation: "The Eye and Headache"*

**SCIENTIFIC PRESENTATIONS, LECTURESHIPS, PROGRAM PARTICIPATION (cont'd)**

406. Co-Director, Syncope, Dizziness, and Vertigo, sponsored by University Hospitals of Cleveland and Case Western Reserve University School of Medicine, Cleveland, March 31, 2001. *Presentation: Moderator of Scientific Session*
407. Faculty, Special Course on Neuro-Ophthalmology in the Emergency Room, 53<sup>rd</sup> Annual Meeting of the American Academy of Neurology, Philadelphia, May 8, 2001. *Presentation: "Painful Ophthalmoplegia, Visual Loss, and Anisocoria"*
408. Faculty, Educational Course, "Sorting Out Ocular Oscillations", XVIIth World Congress of Neurology, London, June 18, 2001.
409. Introduction of American Headache Society Harold G. Wolff Lecture Award, International Headache Congress, New York, July 1, 2001.
410. Faculty, 19<sup>th</sup> International Meeting of Benign Essential Blepharospasm Research Foundation, sponsored by Barrow Neurological Institute and Mayo Clinic Scottsdale, Scottsdale, August 17-19, 2001. *Presentation: "Medical Therapy for Blepharospasm, Meige, and Hemifacial Spasm"*
411. Session Chair: "Brainstem Mechanisms for Controlling Gaze", A New York Academy of Sciences Conference on Neurobiology of Eye Movements: From Molecules to Behavior, Cleveland, October 4-6, 2001.
412. Special Lecturer, Departments of Neurology and Ophthalmology, Kitasato University, Sagamihara, Japan, October 24, 2001. *Presentation: "Ocular Myasthenia Gravis"*
413. Invited Lecturer, 39<sup>th</sup> Annual Meeting of the Japanese Neuro-Ophthalmological Society, Kurashiki, Okayama, Japan, October 27, 2001. *Presentation: "Headache and The Eye"*
414. Presider, Plenary Session I, American Headache Society Educational Symposium, Scottsdale, November 2, 2001.
415. Victor and Clara Soriano Lecturer, Israel Neurological Association, Tel Aviv, November 20, 2001. *Presentation: "The Eye and Headache"*
416. Guest Speaker, Symposium on Alzheimer's Disease, Current Practices and Future Perspectives, sponsored by King Faisal Specialist Hospital and Research Centre, Riyadh, Saudi Arabia, January 5-6, 2002. *Presentation: "Epidemiology and Risk Factors for Alzheimer's Disease"*
417. Faculty, Headache Now! 2002, sponsored by the American Headache Society, Bal Harbour, Florida, January 18-20, 2002. Panelist: "Meet the Experts", Moderator: "Plenary Session I"
418. Faculty, Faculty, The 15<sup>th</sup> Annual Practicing Physicians Approach to the Difficult Headache Patient, sponsored by Fitch University of Health Sciences/Chicago Medical School, and the Diamond Headache Clinic. Rancho Mirage, CA, February 13-17, 2002. *Presentation: "The Eye and Headache"*
419. Faculty, 40<sup>th</sup> Anniversary Scientific Meeting of the Bascom-Palmer Eye Institute of the University of Miami School of Medicine, Coral Gables, Florida, February 21-23, 2002. *Presentation: "Migraine: Retinal and Ophthalmoplegic"*
420. Guest Speaker, Neurology Grand Rounds, Robert Wood Johnson Medical School, New Brunswick, New Jersey, March 20, 2002. *Presentation: "Headache and the Eye"*
421. Faculty, Breakfast Seminar on Neurology at War, Annual Meeting of the American Academy of Neurology, Denver, April 18, 2002. *Presentation: "Neurology in Vietnam"*
422. Chairman, Symposium on Headache, 14<sup>th</sup> International Neuro-Ophthalmology Society Meeting, Buenos Aires, May 7, 2002. *Presentation: "Ophthalmoplegic and Retinal Migraine"*
423. Faculty, 25<sup>th</sup> Annual Contemporary Clinical Neurology Symposium, sponsored by the Department of Neurology, Vanderbilt University School of Medicine, Hilton Head, July 15-19, 2002. *Presentations: "Classification of Headache 2002," "Retinal and Ophthalmoplegic Migraine", "Prophylaxis of Migraine," "Ocular Myasthenia," "Eye Pain and Painful Ophthalmoplegias," "Oscillatory Eye Disorders"*
424. Faculty, 20<sup>th</sup> International Meeting of the Benign Essential Blepharospasm Research Foundation, Houston, August 23-25, 2002. Visiting Consultant, Alexander Vein Headache Clinic, Moscow Medical Academy, September 2, 2002.
425. Visiting Consultant, Institute of Neurology, Russian Academy of Medical Sciences, Moscow, September 3, 2002.
426. Visiting Professor, Division of Neurology, Penn State College of Medicine, Hershey, October 18, 2002. *Presentation: "Headache and the Eye"*

**SCIENTIFIC PRESENTATIONS, LECTURESHIPS, PROGRAM PARTICIPATION (cont'd)**

427. Visiting Consultant, K. Gopalakrishna Department of Neurology, Voluntary Health Services Hospital, Chennai (Madras), India, October 25, 2002.
428. Faculty, Update in Neuro-Ophthalmology, sponsored by Sankara Nathralaya, Chennai (Madras), India, October 26-27, 2002. *Presentations: "Benign Intracranial Hypertension," "Ocular Motor Palsies and the Painful Ophthalmoplegias," "Ocular Oscillations," "Ocular Myasthenia"*
429. Guest Lecturer, Kerala Institute of Medical Sciences, Trivandrum, India, October 29, 2002. *Presentation: "The Eye and Headache"*
430. Faculty, 2002 Headache Symposium sponsored by the American Headache Society, Scottsdale, November 13-17, 2002. *Presentation: "Is it my eyes?"*
431. Faculty, Headache Now! Symposium, sponsored by the American Headache Society, Cancun, January 17-19, 2003. Moderator: "Tertiary Care Symposium"
432. Faculty, The 16th Annual Practicing Physicians Approach to the Difficult Headache Patient, sponsored by Fitch University of Health Sciences/the Chicago Medical School and the Diamond Headache Clinic, Rancho Mirage, CA, February 11-15, 2003. *Presentation: "The Eye and Headache"*
434. Visiting Professor of Neurology, MCP Hahnemann Medical College, Drexel University, Philadelphia, May 2, 2003. *Presentations: "The Eye and Headache", "Ocular Oscillations"*
435. Moderator, Presidential Symposium, 45<sup>th</sup> Annual Scientific Meeting of the American Headache Society, New York, June 20, 2003.
436. Faculty, Headache Update 2003, sponsored by Fitch University of Health Sciences/the Chicago Medical School, Lake Buena Vista, Florida, July 15-19, 2003. *Presentation: "The Eye and Headache"*
437. Faculty, 21<sup>st</sup> International Meeting of Benign Essential Blepharospasm Research Foundation, Philadelphia, August 22-24, 2003.
438. Guest Speaker, Neurology Grand Rounds, New York University School of Medicine, New York, November 4, 2003. *Presentation: "The Eye and Headache"*
439. Invitado de Honor, Congreso Iberoamericano de Neuro-Oftalmologia, Lima, Peru, December 6-8, 2003. *Presentations: "Ocular Oscillations", "Headache and the Eye, "Ocular Myasthenia", "2004 International Headache Society (IHS) Classification"*
440. Faculty, The 17th Annual Practicing Physicians Approach to the Difficult Headache Patient, sponsored by Fitch University of Health Sciences/the Chicago Medical School and the Diamond Headache Clinic, Rancho Mirage, CA, February 10-14, 2004. *Presentation: "The Eye and Headache", Co-Chair: "Genetics of Headache" platform presentations Panelist: "Management of the Difficult Headache Patient"*
441. Visiting Professor, Department of Neurology, University of Maryland School of Medicine, Baltimore, March 3, 2004. *Presentation: "Headache and the Eye"*
442. Faculty, 16<sup>th</sup> Annual Symposium on Treatment of Headache and Facial Pain, sponsored by the New York Academy of Medicine and the New York Headache Foundation, New York City, April 4, 2004. *Presentation: "Headache and the Eye"*
443. Faculty, Neurovisual Symposium, sponsored by Departments of Neurology and Neurosurgery, Massachusetts General Hospital and Harvard Medical School, Boston, April 24, 2004. *Presentation: "Headache and the Eye"*
444. Faculty, Headache Update 2004, sponsored by the Rosalind Franklin University of Medicine and Science, Lake Buena Vista, Florida, July 13-17, 2004. *Presentation: "The Eye and Headache"*
445. Faculty, 22<sup>nd</sup> International Meeting of the Benign Essential Blepharospasm Research Foundation, Birmingham, Alabama, August 20-22, 2004.
446. Faculty, Second Regional Conference on Medical Journals in the World Health Organization Eastern Mediterranean Region, Riyadh, Saudi Arabia, October 10-12, 2004. *Presentations: "Role of Journal Editors in Promoting Good Scientific Writing", "Publication Ethics and Scientific Misconduct"*
447. Faculty, 2004 Scottsdale Headache Symposium, sponsored by the American Headache Society, Scottsdale, Arizona, November 12-14, 2004. Moderator: Chronic Daily Headache Symposium "Stump the Expert" panelist.
448. Keynote Speaker, International Neurology Forum, 2004. Ho Chi Minh City, Vietnam, December 2-3, 2004. *Presentation: "Eye Pain; Migraine; Cerebral Malaria"*
449. Faculty, Annual Courses in Clinical Neurosciences 2005, sponsored by Neurosciences India Group, Chennai, India, February 12-15, 2005.

**SCIENTIFIC PRESENTATIONS, LECTURESHIPS, PROGRAM PARTICIPATION (cont'd)**

450. Faculty, 18<sup>th</sup> Annual Practicing Physicians Approach to the Difficult Headache Patient, sponsored by Chicago Medical School of Rosalind Franklin University of Medicine and Sciences, Palm Springs, February 15-18, 2005. *Presentation: "The Eye and Headache"*
451. Moderator, Acute Treatment of Primary Headaches, National Headache Foundation's Second Annual Headache Research Summit, Palm Springs, February 19, 2005.
452. Visiting Professor of Neurology, Columbia College of Physicians and Surgeons, New York, February 26-28, 2005. *Presentation: "Eye and Headache"*
453. John R. Graham Award Lecture, American Headache Society, Philadelphia, June 25, 2005. *Presentation: "Information, Reflections, and Advice"*
454. Faculty, Headache Update 2005, sponsored by the Chicago Medical School of Rosalind Franklin University of Medicine and Sciences, Orlando, July 12-16, 2005. *Presentations: "Eye and Headache", "Miscellaneous Headaches"*
455. Visiting Consultant in Neurology, Hamad Medical Corporation, Doha, Qatar, July 26-30, 2005.
456. Faculty, 23<sup>rd</sup> International Meeting of Benign Essential Blepharospasm Research Foundation, Salt Lake City, August 19-21, 2005.
457. Leader, Luncheon Seminar, "Neuro-ophthalmology and Headache", 12<sup>th</sup> Congress of the International Headache Society, Kyoto, Japan, October 12, 2005.
458. Faculty, Teaching Course in "Vertigo/Neuro-otology", VIIIth World Congress of Neurology, Sydney, Australia, November 6, 2005 (with Dr. R. John Leigh).
459. Co-Chair, Session on "Neuro-otology-Ophthalmology", VIIIth World Congress of Neurology, Sydney, Australia, November 7, 2005.
460. Faculty, International Neurology Forum (INFO) 2005, Nha Trang City, Vietnam, December 4-8, 2005. *Presentations: "Ocular Oscillations", "Treatment of Headache"*
461. Faculty, 19<sup>th</sup> Annual Practicing Physicians Approach to the Difficult Headache Patient, sponsored by Chicago Medical School of Rosalind Franklin University of Medicine and Sciences, Palm Springs, February 15-18, 2006. *Presentation: "The Eye and Headache"*
462. Co-Moderator, Acute Treatment of Primary Headaches, National Headache Foundation's Third Annual Headache Research Symposium, Palm Springs, February 16, 2006.
463. "Retinal Migraine: The Facts", 32<sup>nd</sup> Annual Meeting of the North American Neuro-ophthalmological Society, Tucson, February 28, 2006 (Poster Presentation with Drs. D.L. Hill et al).
464. "Retinal Migraine: The Facts", American Academy of Neurology, San Diego, April 4, 2006 (Poster Presentation with Drs. D.L. Hill et al).
465. Faculty, Headache Update 2006, sponsored by Rosalind Franklin University of Medicine and Sciences, Orlando, July 13, 2006. *Presentation: "The Eye and Headache"*
466. Faculty, 24<sup>th</sup> International Meeting of Benign Essential Blepharospasm Research Foundation, Baltimore, August 4-6, 2006.
467. Invited Participant, Working Group on the Signs of Death, The Pontifical Academy of Sciences, Vatican City, September 11-12, 2006. *Presentation: "The Historical Evolution of Brain Death from Former Definitions of Death: The Harvard Criteria to the Present"*
468. Invited Participant, Benign Essential Blepharospasm Foundation Workshop on Current and Future Research, Houston, September 28-29, 2006.
469. Faculty, First Ramathibodi Eye Movement Symposium, Bangkok, November 1, 2006. *Presentation: "Clinical Approach to Ocular Oscillation"*
470. The 7<sup>th</sup> Annual Athasit Vejjajiva Lecture, Mahidol University, Bangkok, November 3, 2006. *Presentation: "Headache and the Eye"*
471. Faculty, INFO 2006, Ho Chi Minh City, Vietnam, November 24-25, 2006. *Presentation: "The Eye and Headache"*
472. Faculty, Neurological Update, 2007, Miller School of Medicine, University of Miami, January 24- 27, 2007. *Presentations: "Ocular Oscillations", "The Eye and Headache"*
473. Co-moderator, 4<sup>th</sup> Annual Headache Research Summit, sponsored by the National Headache Foundation, Palm Springs, February 14, 2007.
474. Faculty, 20<sup>th</sup> Annual Practicing Physicians Approach to the Difficult Headache Patient, sponsored by Chicago Medical School of Rosalind Franklin University of Medicine and Sciences, Palm Springs, February 13-17, 2007. *Presentation: "The Eye and Headache"*

**SCIENTIFIC PRESENTATIONS, LECTURESHIPS, PROGRAM PARTICIPATION (cont'd)**

475. Faculty, Course on “Eye Movement Disorders, Nystagmus, and Diplopia”, 2007 Annual Meeting of the American Academy of Neurology, Boston, April 29, 2007. Presentation: *“Sorting Out Nystagmus and other Ocular Oscillations that Impair Clear Vision”*
476. Session Moderator, “Advances in Understanding Mechanisms and Treatment of Infantile Forms of Nystagmus, sponsored by The Louis Stokes Department of Veterans Affairs Medical Center and CWRU, Cleveland, May 3-4, 2007.
477. Faculty, Hadassah International Symposium in Neurology. Seventieth Anniversary of the Department of Neurology and in Honor of Professor Oded Abramsky, Jerusalem, June 2-4, 2007. Co-Chair: Session on Epilepsy, Vascular, and Extrapyrmidal Disorders.
478. Faculty, INFO 2007, Ho Chi Minh City, Vietnam, July 6-7, 2007. Presentation: *“Ocular Oscillations”*
479. Faculty, 25<sup>th</sup> Annual International BEBRF Conference and Scientific Symposium, sponsored by the Benign Essential Blepharospasm Research Foundation, Jacksonville, August 24-26, 2007.
480. Featured speaker, Recent Advances in Medical Neurotology, Sponsored by Cleveland Hearing & Balance Center & MetroHealth Hospitals, Cleveland, October 12-13, 2007. Presentation: *“Vestibular Migraine”*
481. Faculty, 2007 Scottsdale Headache Symposium, Sponsored by the American Headache Society, Oct. 31-Nov. 3, 2007. Presentation: *“Eye and Headache”*
482. Session Chair, Symposium in Honor of Jean Buttner-Ennever, “Using Eye Movements as an Experimental Probe of Brain Function”, Imperial College London, December 5-6, 2007.
483. Seminar Expert, “Ocular Movement Disorders”, XVII WFN World Congress on Parkinson’s Disease and Related Disorders, Sponsored by World Federation of Neurology, Amsterdam, December 10, 2007
484. Faculty, 21<sup>st</sup> Annual Practicing Physicians Approach to the Difficult Headache Patient, Sponsored by the Rosalind Franklin University of Medicine and Science, Scottsdale, February 19-21, 2008. Presentation: *“Eye and Headache”*
485. “Reminiscences of the First Neurologist serving U.S. Forces in Vietnam (1965-66) and his 2005 Private Meeting with General Vo Nguyen Giap in Hanoi”, presented at the Sixth Triennial Vietnam Symposium, The Vietnam Center, Texas Tech University, Lubbock, Tx, March 15, 2008.
486. Visiting Professor, Vanderbilt University Department of Neurology, Nashville, April 4, 2008. Presentation: *“Headache and the Eye”*
487. Invited Speaker, Vanderbilt Eye Institute – Pearls XI Symposium, Nashville, April 5, 2008. Presentation: *“The Eye and Headaches”*
488. *“Advice to Educators”*, Presented at the Education Colloquium, Annual Meeting of the American Academy of Neurology, Chicago, April 15, 2008.
489. Delegate and Session Chairpeson, Basic and Clinical Aspects of Vertigo and Dizziness, Sponsored by the Department of Neurology, University of Munich, Kloster Seeon, Germany, June 22-25, 2008. Presentation: *“Migrainous Vertigo/Vertiginous Migraine:2008”*
490. Faculty, Pre-Course 4 on Evaluating the Evidence: Pragmatic Recommendations for Reviewing, Improving, and Utilizing the Headache Literature, 50<sup>th</sup> Anniversary Meeting of American Headache Society, Boston, June 26, 2008. Presentation: *“What do Medical Editors Want”*
491. Faculty, Headache Update 2008, sponsored by Rosalind Franklin University of Medicine and Sciences, Orlando, July 15, 2008. Presentation: *“The Eye and Headache”*, *“Complicated Migraine and Migraine Variants”*
492. Faculty, 26<sup>th</sup> Annual International BEBRF Conference and Scientific Symposium, sponsored by the Benign Essential Blepharospasm Research Foundation, Minneapolis, August 15-16, 2008.
493. Faculty, 6<sup>th</sup> Annual Cleveland Neurocritical Care and Stroke Conference, Sept 12-13, 2008
494. Faculty, 2008 Scottsdale Headache Symposium, Sponsored by the American Headache Society, Nov. 7-9, 2008. Presentation: “Neuro-Ophthalmology and its Contribution to Headaches.” Q & A Panelist of former AHS Presidents.
- 495 Faculty, 22<sup>nd</sup> Annual Practicing Physicians Approach to the Difficult Headache Patient, Sponsored by the Diamond Headache Clinic Research and Educational Foundation, and The Rosalind Franklin University of Medicine and Science, Scottsdale, February 9-13 2009. Presentation: *“The Eye and Headache”*
496. Daniel M. Jacobson Lecturer, Annual Meeting of the North American Neuro-Ophthalmology Society, Lake Tahoe, February 25, 2009. Presentation: *“Reflections and Advice from an Aging Academic”*
497. Faculty, 27<sup>th</sup> Annual International BEBRF Conference and Scientific Symposium, sponsored by the Benign Essential Blepharospasm Research Foundation, Irvine, California, August 8-9, 2009

**SCIENTIFIC PRESENTATIONS, LECTURESHIPS, PROGRAM PARTICIPATION (cont'd)**

498. Moderator, 7th Annual National Headache Foundation Research Summit, Chicago, October 16, 2009
499. Chair, Neuro-Ophthalmology Session, 19th World Congress of Neurology, Bangkok, October 28, 2009
500. Opening Remarks. Inaugural Meeting of Saudi Alzheimer's Disease Association, Riyadh, March 27, 2010.
501. Faculty, 4<sup>th</sup> Annual Symposium on the Surgical Treatment of Migraine Headaches, Cleveland, October 30-31, 2010. Presentation: "Overview of Migraine Headaches and Their Treatment".
502. Chair, Section on "Mechanisms of Control in Cerebellum," Basic and Clinical Ocular Motor and Vestibular Research meeting. A Tribute to John Leigh, Buenos Aires, March 26-27, 2011.
503. Meeting of Saudi Alzheimer's Association. Presentation: "Introduction to Alzheimer's Disease Epidemiology", Riyadh, February 28, 2011.
504. Panelist, University of Pennsylvania, 50<sup>th</sup> Medical School Reunion. Presentation: "Our Most Memorable Events in 50 Years as Physicians." May 13, 2011.
505. Bascom Palmer Eye Institute, University of Miami Health System, 47<sup>th</sup> Annual Residents Day, June 17-18, 2011. Presentation: Remembrances and Tributes to Drs. Joel S. Glaser and J. Lawton Smith.
506. Faculty, 5th Annual Symposium on the Surgical Treatment of Migraine Headaches, Cleveland, October 22, 2011. Presentation: "Overview of Migraine Headaches and Their Treatment".
507. Advisory Council for Alzheimer's Disease Research, CWRU, October 20, 2011. Presentation: The Increasing Prevalence of Alzheimer's Disease-Why?
508. Bascom Palmer Eye Institute, University of Miami Health System, 50<sup>th</sup> Anniversary Reunion, Miami, February 2-4, 2012. Presentation: Tribute to Dr. Noble David  
Panelist: Neuro-Ophthalmology Emergencies
509. Keynote Speaker, 1<sup>st</sup> Annual Alzheimer's Disease Conference, Saudi Arabia Alzheimer's Association, Riyadh, February 21-22, 2012  
Presentation: Epidemiology of Alzheimer's Disease
510. Discussion of Short Term Memory Loss following three presentations of the documentary, *Caris' Peace*, at the Cleveland International Film Festival, March 23, 24, 25, 2012
511. Faculty, Short Course on Publication Ethics, Council of Science Editors Annual Meeting, Seattle, May 19, 2012. Presentation: (with Alan Price, PhD): A Model for Editor and ORI Cooperation..."
512. Session Chair, Special Clinical Lecture, "Vestibular and Cochlear Systems in Migraine", American Headache Society, Los Angeles, June 22, 2012
513. Speaker, 47<sup>th</sup> Reunion of 93<sup>rd</sup> Evacuation Hospital, Vietnam Medical Staff, Inlet, NY, August 10, 2012
514. Faculty, BEBRF Meeting, Columbus, OH August 18, 2012
515. Session Chair, Frontiers in Neuromuscular Disease and Neuro-Rehabilitation Conference to Honor Robert L. Ruff, MD, PhD, Cleveland, October 18, 2012
516. Session Chair, 10th Annual Cleveland Neurocritical Care and Stroke Conference, March 8, 2013
517. Guest Speaker, CWRU Neuroethics Course, April 4, 2013. Presentation: Coma, Vegetative State et al.
518. Planning Committee Chair and Speaker, Memorial Dinner Honoring Joseph M. Foley, MD, Cleveland, April 20th, 2013
519. Visiting Professor of Neurology, Medical College of Wisconsin, Milwaukee, June 13-14, 2013. Presentation: Reminisces and Advise from an Aging Academic.
520. Chairperson, Session of Chronic Migraine, XXI World Congress of Neurology, Vienna, September 22, 2013. (Erroneously omitted in the Final Program)
521. Moderator, Alzheimer Disease and Related Disorders: A Comprehensive Update. Sponsored by the Saudi Alzheimer Disease Association, Riyadh, October 31, 2013
522. Faculty/Mentor, Special Interests Sections Symposia. American Headache Society Symposium. Scottsdale, AZ., November 21, 2013. Topic: Editorial/Clinical.
523. Visiting Professor of Neurology, Mt. Sinai School of Medicine, New York City, February 19, 2014. Presentation: Reminisces and Advise from an Aging Academic.
524. Speaker, Al Faisel School of Medicine, Riyadh, Saudi Arabia, May 1, 2014. Presentation: Alzheimer's Disease, 2014. (with Dr. Neelum Agarrwal)
525. Co-Moderator, John R. Graham Lecture Award, American Headache Society Annual Meeting, Los Angeles, June 28, 2014
526. Faculty/Mentor, Special Interests Sections Symposia. American Headache Society Symposium. Scottsdale, AZ., November 20, 2014. Topic: Editorial/Clinical.

**SCIENTIFIC PRESENTATIONS, LECTURESHIPS, PROGRAM PARTICIPATION (cont'd)**

527. Speaker and Moderator, 2<sup>nd</sup> International Alzheimer's Disease Conference, Riyadh, November 24-26, 2014
